Biodiversity Digital Scavenger Hunt Activity

★★★★★ Extremely satisfied - Very clear and easy for the kids to follow. I had the kids working in pairs, and they got done within the 50 minute class period. It was also easy to grade which is a good benefit.

SCROLL
to take a look inside!

AN ENGAGING, READY-TO-GO, EVIDENCE-PRODUCING ACTIVITY YOU CAN DELIVER IN ONE PERIOD

- Explore what biodiversity is, the types of biodiversity, its importance, vulnerable, threatened, extirpated, endangered, extinct, and keystone species, and how humans alter biodiversity.
- Interactive Scavenger Hunt - Print + Digital.
- Works with smartphones, tablets, or laptops—just print, post, and go.

What You Get

★ 5 QR code stations

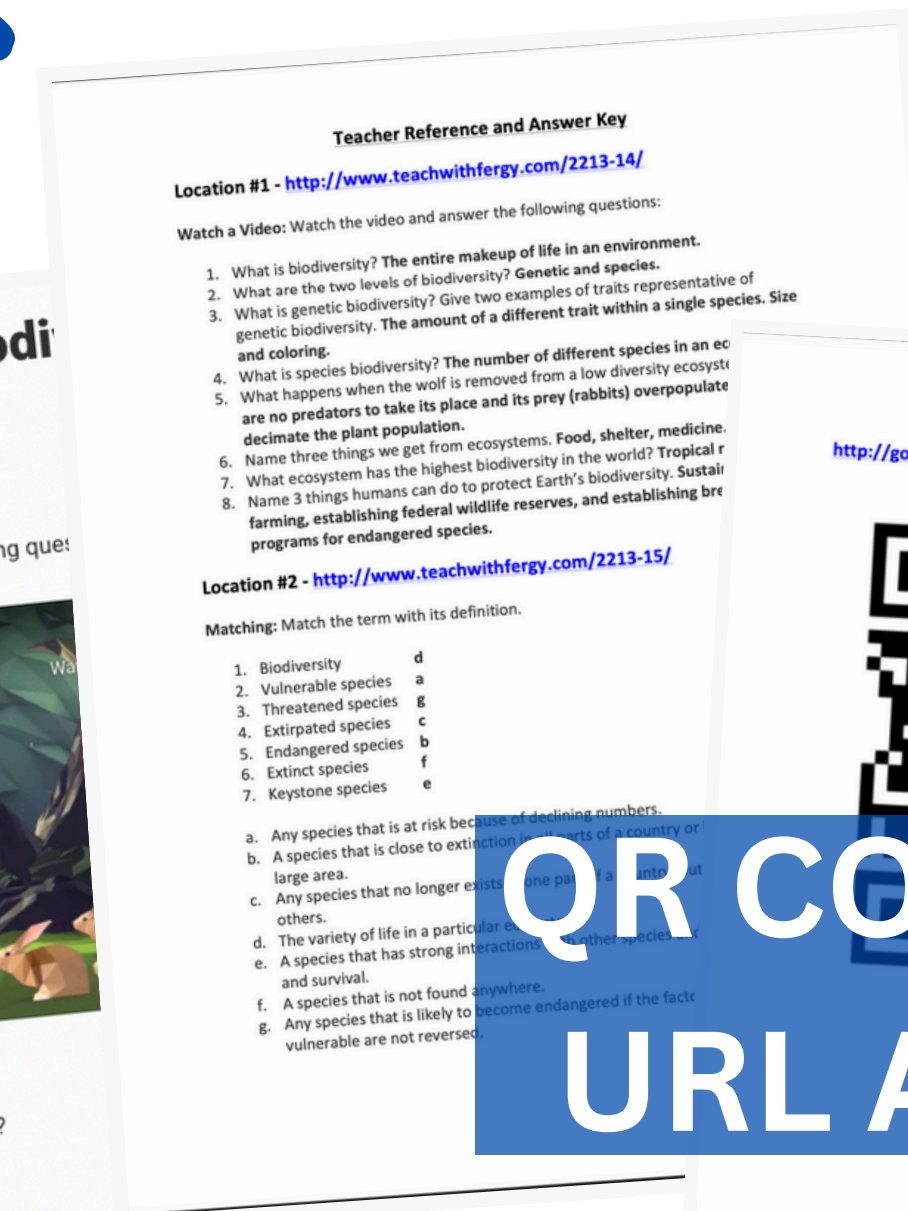

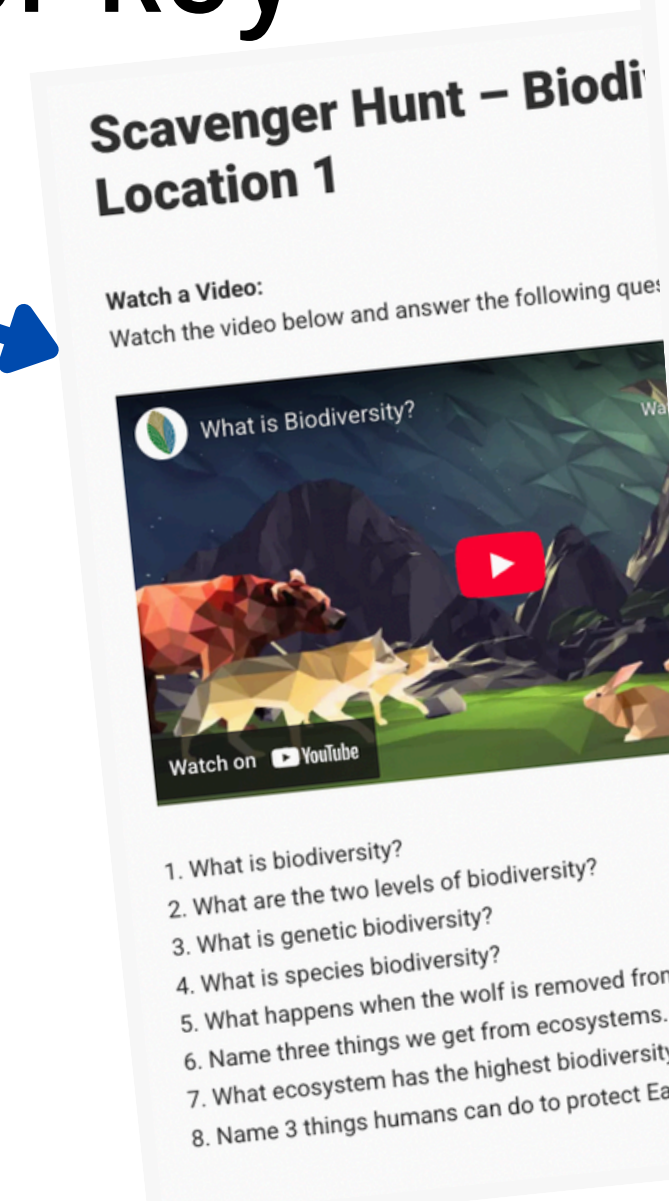

★ auto-graded quiz

★ teacher guide and answer key

WHAT TEACHERS SAY ABOUT MY DIGITAL SCAVENGER HUNTS

★★★★★ Extremely satisfied - This resource was exactly what I needed! It's well-organized, engaging, and easy to use in the classroom. My students were actively involved and the content aligned perfectly. I really appreciate the clear instructions and creative approach. Thank you for saving me time and enhancing my science lessons!

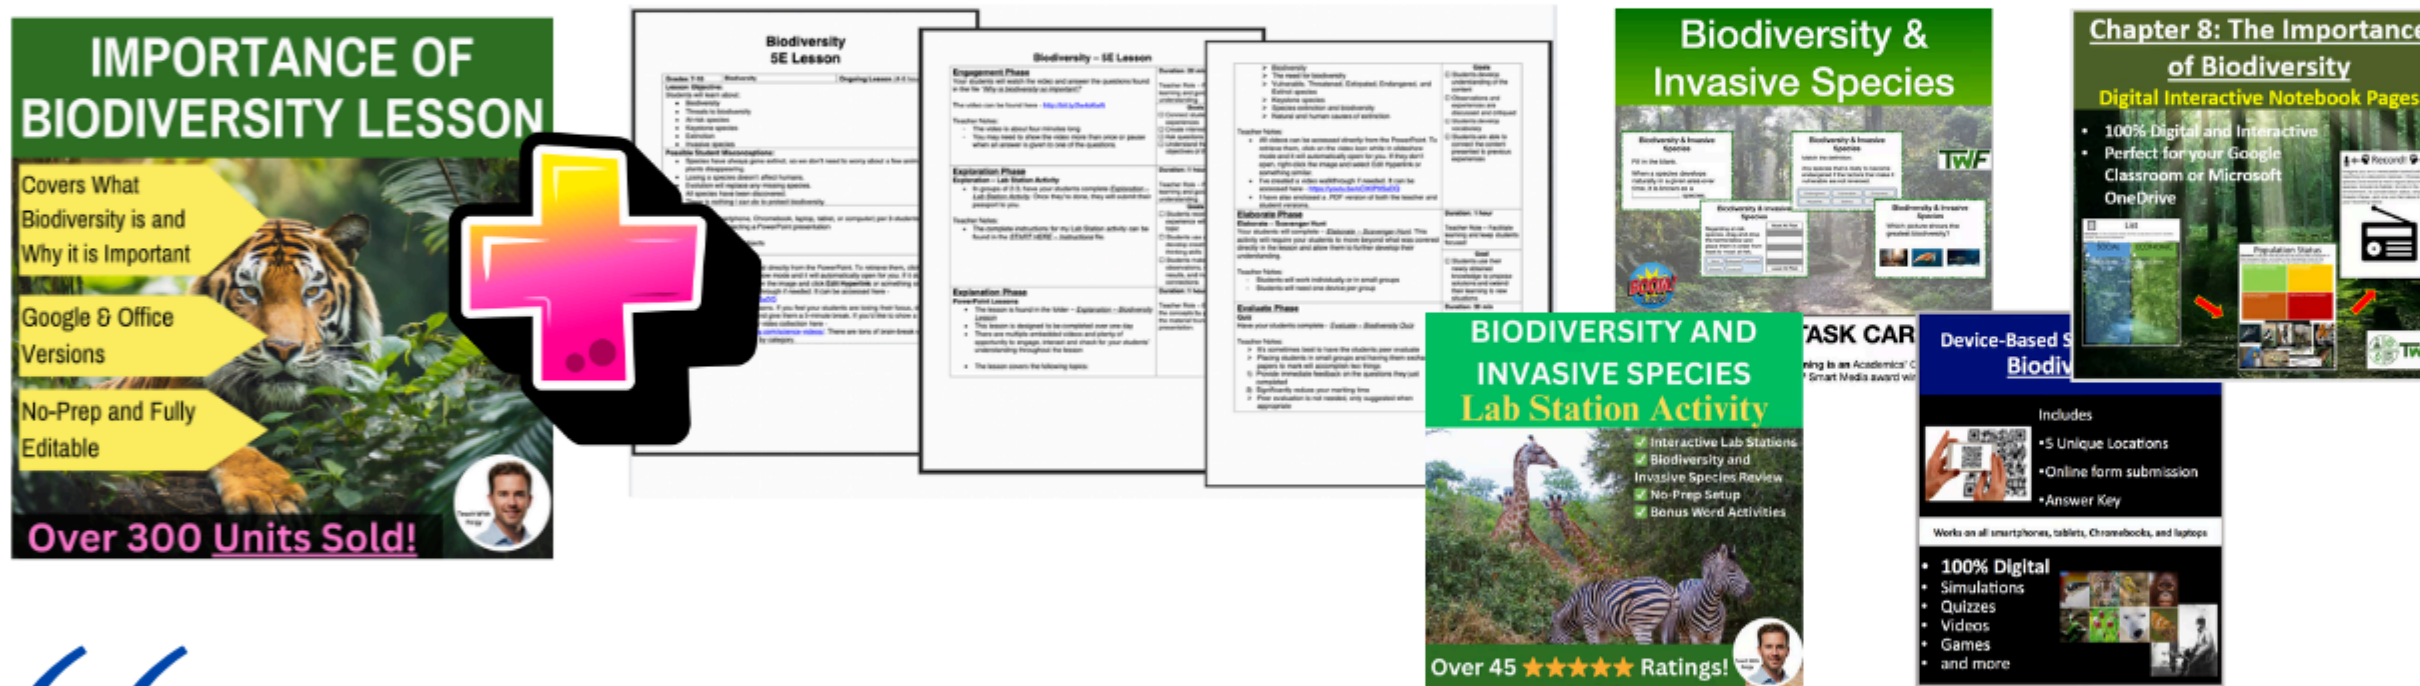

★★★★★ Extremely satisfied - My students found this activity engaging and helpful in helping them master the concept.

★★★★★ Extremely satisfied - This was a great resource. It helped my students engage and kept their interest. I highly recommend it!

Upgrade to the Biodiversity 5E Bundle

Get my the lesson plus additional activities and assessments inside my 5E Bundle.

★★★★★ Extremely satisfied - I had a group of biology students I was really struggling to reach and this really helped me out with the biodiversity unit. Definitely was worth it, as it engaged them with the material in a way that I wasn't able to do.
