How to Play:

- 1) Print and cut the BINGO and call cards. (Laminate for extra durability.)
- 2) Give every student a BINGO card.
- 3) Place the call cards face down and turn over one card at a time.
- 4) Call out the card and show the picture to your students.
- 5) Students must identify the opposite on their BINGO card and cover the space.
- 6) When a student has all pictures covered diagonally, across a row, or vertically in a column, they should call BINGO.
- 7) Consider letting the winner choose a reward out of a prize box (pencils, bookmarks, erasers, stickers etc.) or choose an experience (lunch with the teacher, extra play time, computer time, free choice etc.)
