In our classroom we work
quietly so as not to disturb
others around us.

In our classroom we listen to our
teachers, that way we can follow
instructions the first time they are
given.

Teacher Notes for Daily Schedule

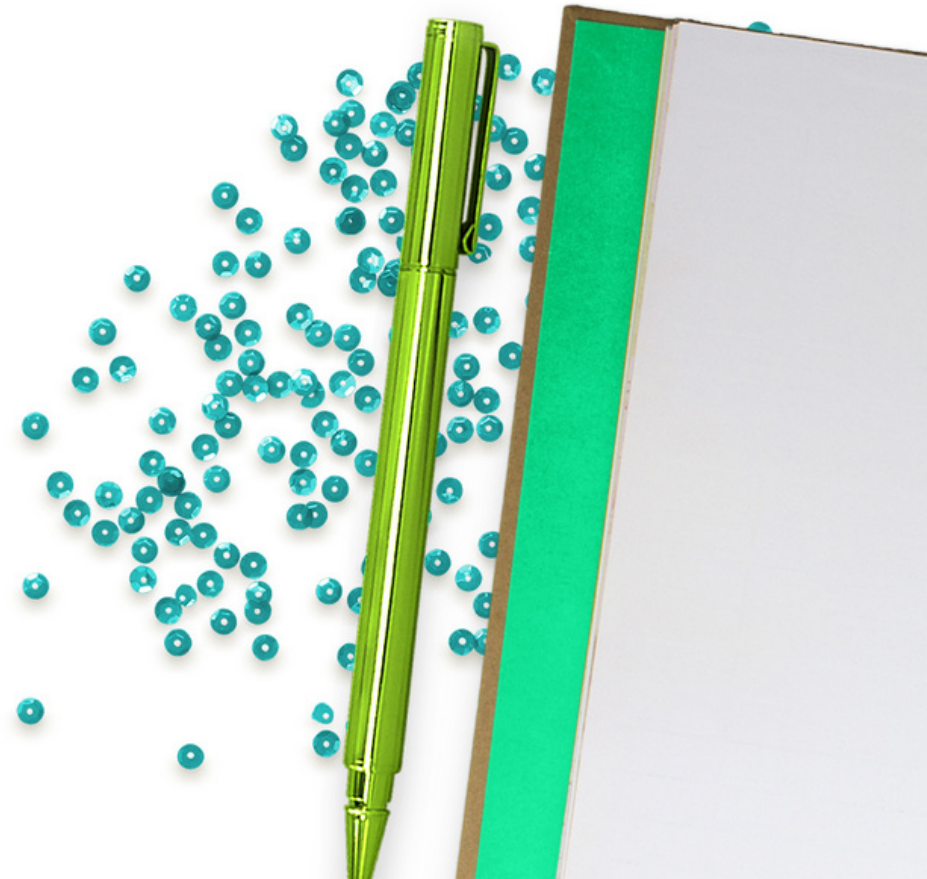

- Simply edit your instructions or reminders in the boxes for the day.
- You can use a slide for each different section of the day eg. Morning session, middle session, afternoon session, and reminders
- This can be used at the start of the day to prompt students who may need a visual reminder.
- The first slide is an example – all boxes are editable.
