Les horaires de circulation des transports en commun

En semaine, les métros circulent de 5h30 à 1h15 environ. Les vendredis et samedis soir, tout les veilles de fête, ils circulent jusqu'à 2h15 environ.

Tous les jours, les RER circulent de 5h30 à 1h20 environ.

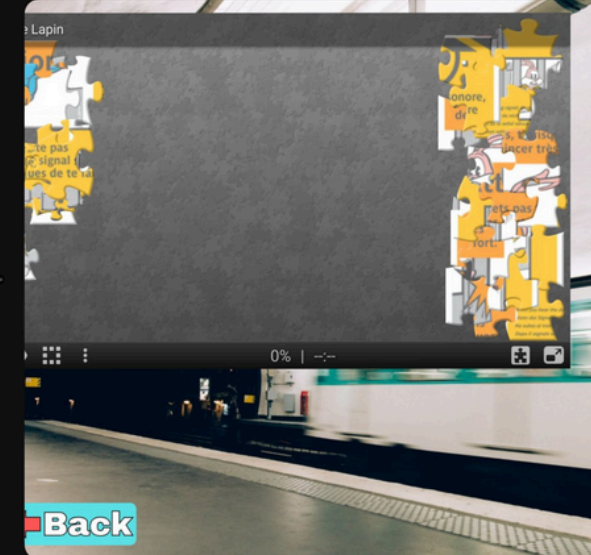

Le vaste réseau de bus vous permet de circuler dans la capitale et en Ile-de-France.

Lorsque les métros ne circulent plus, les bus Noctilien prennent le relais : 47 lignes de bus circulent de 0h30 à 5h30. Toutes les gares RER sont desservies.

Les lignes Noctilien N°01 et N°02 vous permettent de faire le tour de Paris en reliant les grandes gares de l'Est, gare de Lyon, gare d'Austerlitz, gare Montparnasse et gare Saint-Lazare : la N°01 dans des aiguilles d'une montre, la N°02 en sens inverse. Consultez le plan du réseau Noctilien
