The Sentence Makers!

This is a great way to start your kiddos with making their own sentences. I have included editable word banks and a list of the high frequency words suggested by Fountas and Pinnell. You can use the sheets to create your own word list. The high frequency words are on the left and CVC words on the right, both editable according to your needs. This will last you all year long and for any levels that you teach in the future. Your seasonal words can be added and printed whenever you wish. Remember, you may also choose to print the slides as is, it is up to you.

The CVC word list included are:

Short a

Short e

Short i

Short o

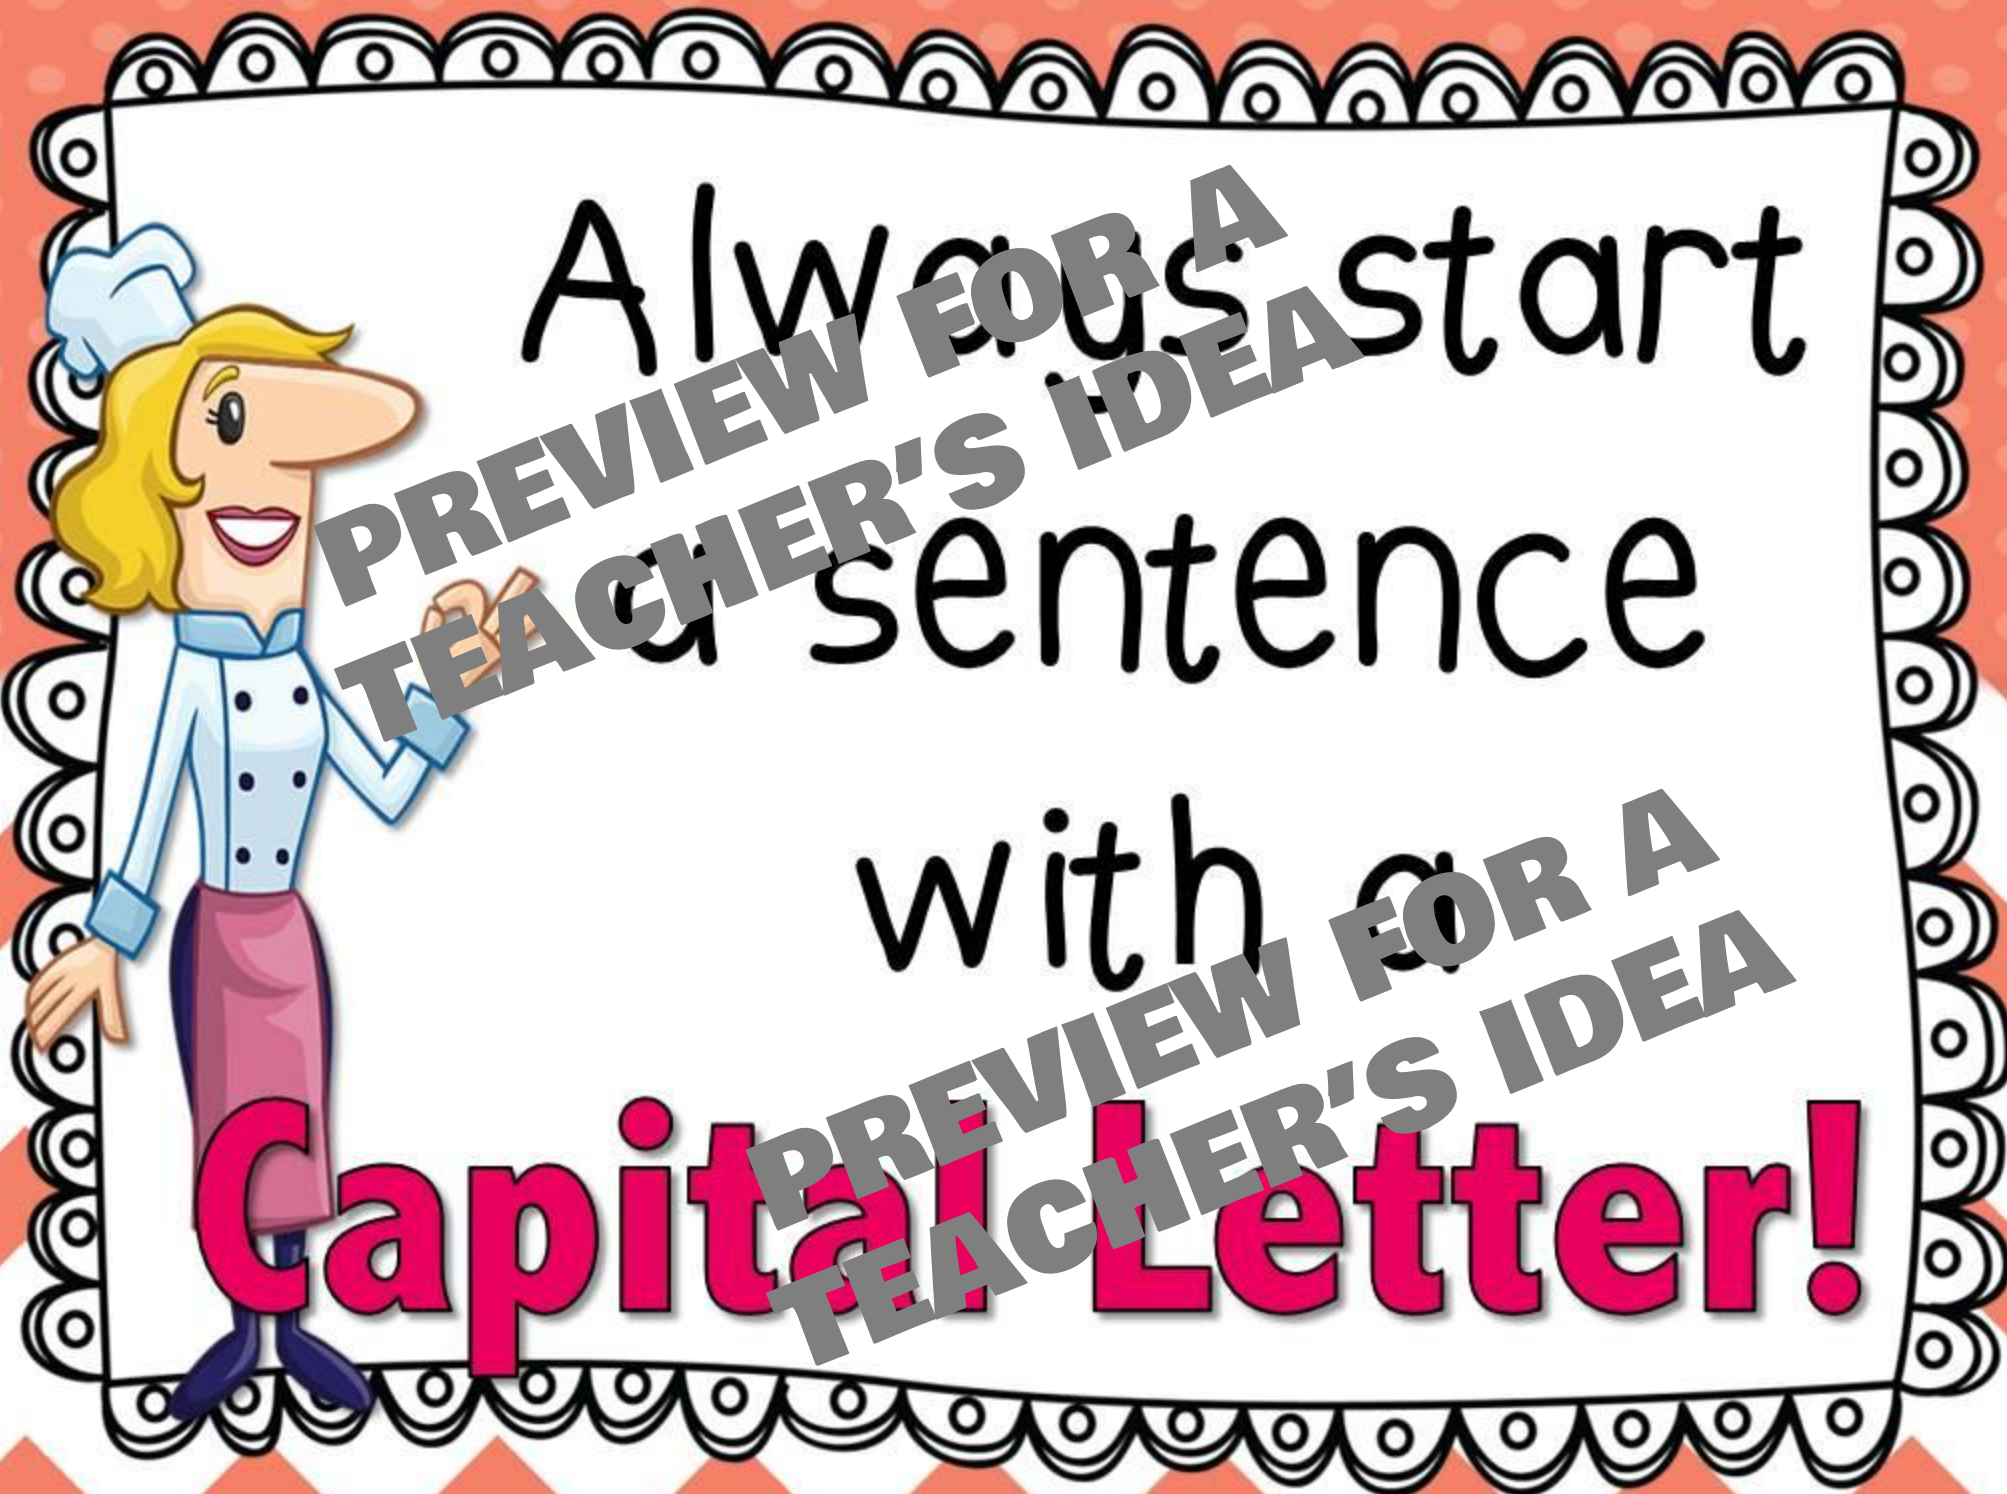

Short u

Enjoy!
