# Search & **FIND** Shapes & Colors Activity

How do I use this?

- Print & Laminate the pages
- Children will look at the shapes or colors on the list. They will find each shape or color hidden in the picture and then check it off the list.
- Use the recording sheet to show your work.

Cut out  
the cards.

Laminate  
to use  
again and  
again!

Students  
will cover  
the  
correct  
item  
shown on  
the card.
