Rounding to Nearest 1,000 Board Game Directions

- Each player should roll the die. The player with the highest number goes first.
- At each player's turn, roll the die and move forward the number of spaces on the die.
- The player will need to round the number on the space to the nearest 1,000.
- If the player can not round the number to the nearest 1,000 they will need to move back to their previous spot.
- First player to the finish line wins.
