- **5 different tasks to keep students engaged**

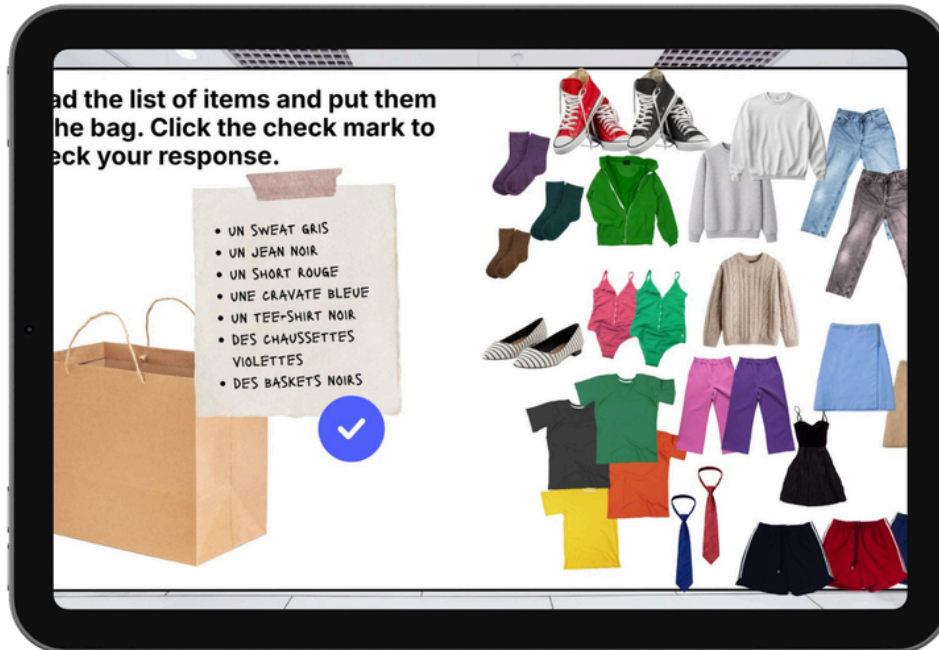

Bruce is a busy guy. He recently went shopping and bought a variety of new clothing items. Unfortunately, he got called away suddenly before he could take them home. He left them in a locker at the mall, but now he can't remember the code to unlock the locker! For each task you complete, you'll uncover one of the numbers. Can you help Bruce to open his locker and get his new clothes?
