NOUN

Names a person, place, thing, or idea. Proper Nouns name specific people or places and must be capitalized.

PRONOUN

Replaces the name of a person, place, thing, or idea.

ADJECTIVE

Describes the noun or pronoun and comes BEFORE the noun.

VERB

Describes an action or experience. Linking Verbs and Helping Verbs are not action verbs but are important.

ADVERB

Describes the verb or tells how often, how, when, or where. Adverbs can describe the verb, adjective, or another adverb.

PREPOSITION

Shows place, time, or direction.

CONJUNCTION

Joins words or phrases together. Common conjunctions are FANBOYS:
for, and, nor, but, or, yet, so.
