How to use the templates

This turkey in disguise printable can be used in many different ways.

Using cardstock is best, but regular print paper can also be used.

1 Design your own turkey disguise

Print the blank turkey template and have the kids design a disguise on their own.

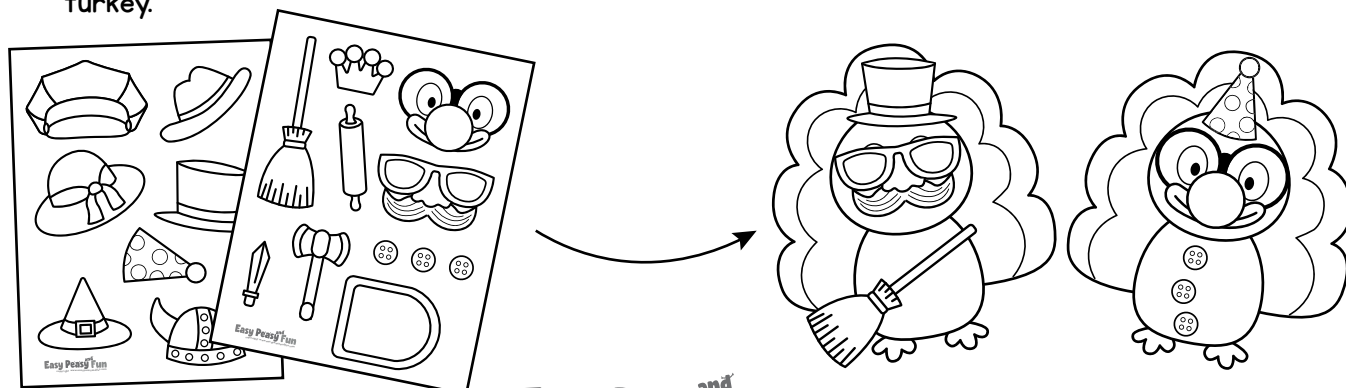

2 Use a pre-made disguise template

There are many fun pre-made disguises for creating a cool looking disguise. Pick a character and make a disguise. Print one turkey template and one disguise.

3 Mix and Match

Print the turkey template as well as one or more of the mix and match pages featuring a variety of eyewear, accessories, clothes... Mix and match them to make a unique disguise for the turkey.

There are also different ways you can make each of the projects.

1 Just the turkey in disguise

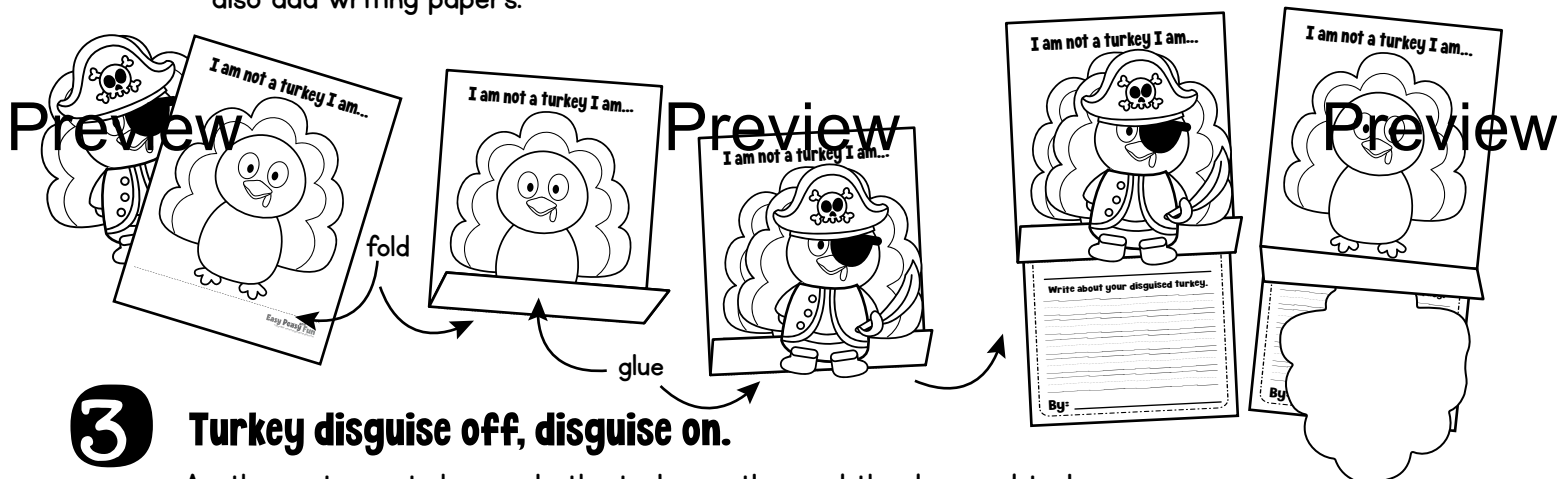

Simple and quick. The finished project shows turkey in disguise only. You can also add writing papers for kids to describe their disguises.

2 I am not a turkey... Disguise on, disguise off...

Have the turkey put on a disguise only when needed (this one is perfect for wall displays).

Disguise a turkey and cut it out. Print the sheet with "I am not a turkey". This one should look like a regular turkey. Fold along the dashed line and glue the disguised turkey on top. You can also add writing papers.

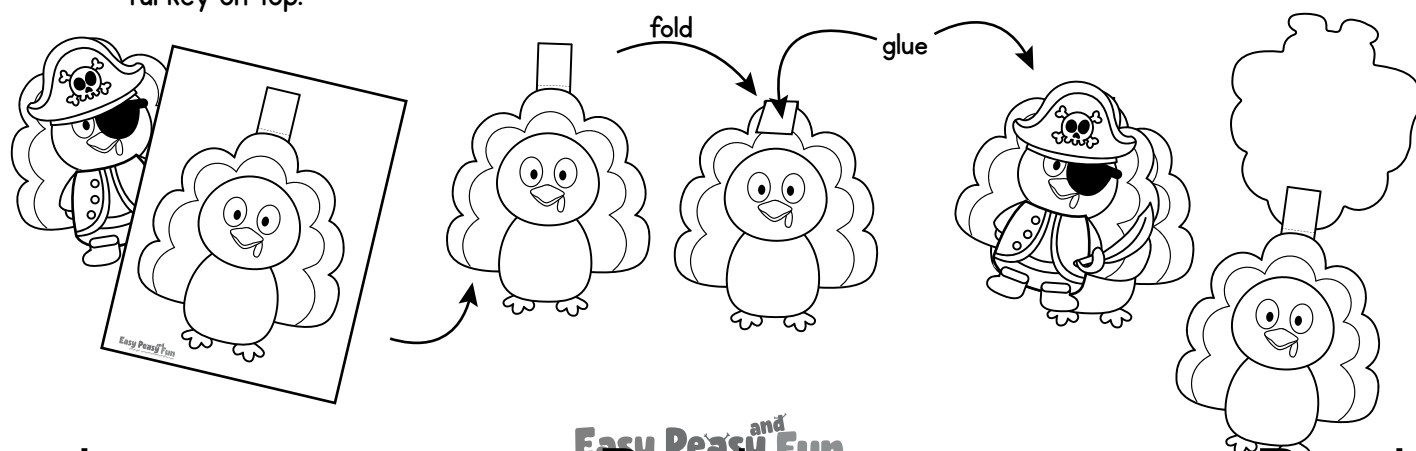

3 Turkey disguise off, disguise on.

Another option is to have only the turkey outline and the disguised turkey.

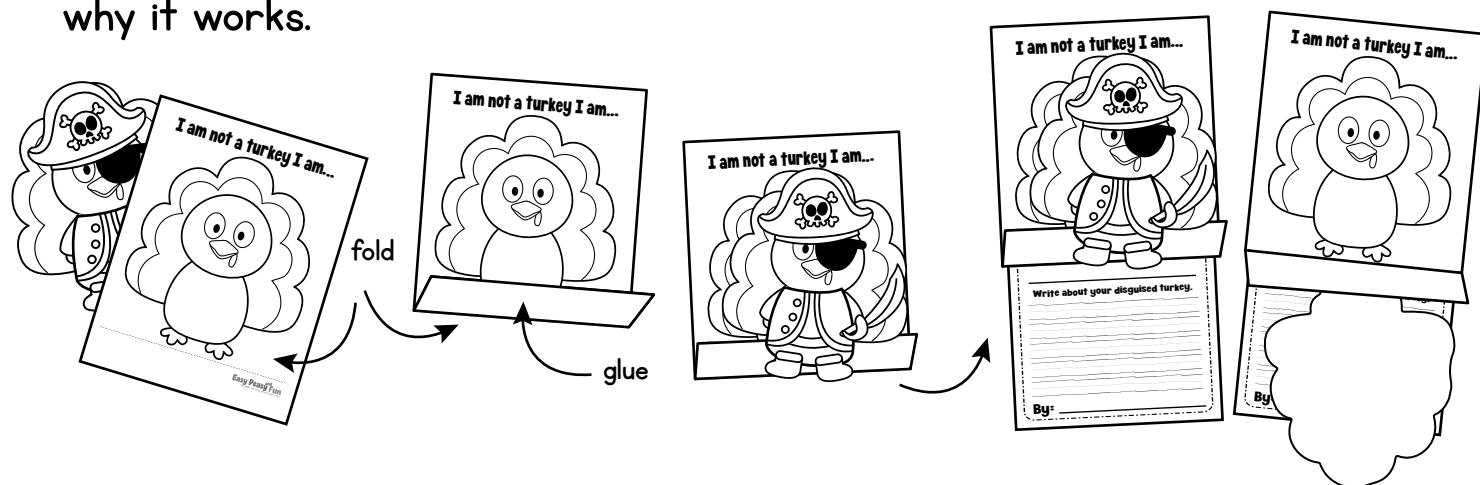

Make one disguised turkey. Print the turkey template (the one with a small rectangle on top of the tail).

Cut out the turkey, fold along the dashed line (on the rectangle), apply glue, and stick the disguised turkey on top.
