

RHYMING SPIN & COVER

SET UP AND ORGANIZATION

CHOOSE WHETHER YOU WANT TO USE THE CARDS WITH THE PICTURES AND WORDS, THE CARDS WITH THE PICTURES ONLY, THE CARDS WITH THE WORDS ONLY, OR A COMBINATION OF ALL THREE FOR DIFFERENTIATION.. PRINT USING THE "SCALE TO FIT/FIT" OPTION. I LIKE TO PRINT CARDS ON CARDSTOCK AND LAMINATE FOR DURABILITY. TEACHER TIP: CUT OUT CARDS PRIOR TO LAMINATING AND CUT LAMINATED CARDS TO CREATE A NICE SEAL AROUND EACH CARD.

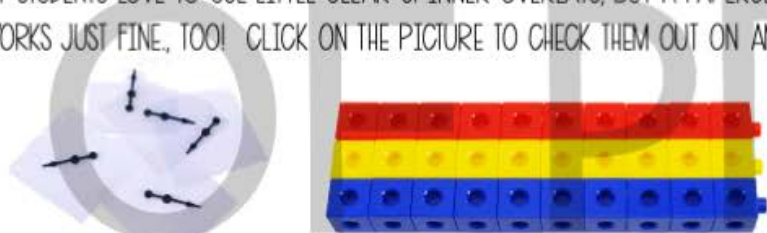

IF USING THE FULL SIZE PAGES, I LOVE TO STORE THEM IN A DURABLE CONTAINER THAT HOLDS ALL THE MATERIALS NEEDED AND STUDENTS CAN GRAB AND GO. THE IRIS SLIM PORTABLE PROJECT CASES ARE PERFECT! YOU CAN FIND THEM AT AMAZON AND/OR MICHAELS.

IF USING THE SMALL TASK CARDS, THE SIMPLY TIDY PHOTO AND CRAFT KEEPER IS A GREAT OPTION, ESPECIALLY WHEN YOU HAVE ALL TASK CARD SETS. I LOVE THE RAINBOW CONTAINERS BECAUSE IT ADDS SOME COLOR TO THE MIX. THESE CAN ALSO BE FOUND AT AMAZON AND/OR MICHAELS.

FOR RHYMING SPIN AND COVER, YOU CAN USE ANY SMALL MANIPULATIVE. WE USE RED, BLUE, GREEN, AND {SOMETIMES} YELLOW LINKING CUBES OR UNIFIX CUBES.. HOWEVER, WHATEVER YOU HAVE ON HAND, FROM MINI ERASERS, TO COUNTING CHIPS WOULD WORK. YOU CAN HAVE YOUR STUDENTS USE THE COLOR DOTS AS A VISUAL FOR EACH GROUP OF RHYMING WORDS, OR YOU CAN CHOOSE NOT TO USE THE COLORS — WHATEVER WORKS BEST FOR YOUR LITTLES. 😊

MY STUDENTS LOVE TO USE LITTLE CLEAR SPINNER OVERLAYS, BUT A PAPERCLIP WORKS JUST FINE., TOO! CLICK ON THE PICTURE TO CHECK THEM OUT ON AMAZON.

THE SMALL TASK CARDS HAVE A NUMBERED STAR IN THE BOTTOM LEFT-HAND CORNER THAT MATCHES UP WITH THE THE CORRESPONDING SPINNER CARD, SO THAT YOU AND YOUR STUDENTS CAN EASILY SEE WHAT SPINNER CARDS GO WITH EACH RHYMING MAT.
