

MEASURING TIME USING INFORMAL UNITS

Early Learners

Measuring Time Digital and Analog

Math Groups or Warm Ups

Measuring using informal units – TIME

NUMBER TALKS

What could you do...?
In one second?

Put the green smiley face on the best answer.

WHAT TAKES LONGER?
Put the green smiley face on the best answer.

Drag the star onto the activity that will take the longer time to complete.

Activities shown include: Sleeping all night, Taking a bath, Eating an apple, and Being at school all day.

Two activity cards are shown. The first card, titled "What could you do...? In one second?", features a camera icon and three illustrations: a person sleeping, two children in a bathtub, and a person standing. The second card, titled "WHAT TAKES LONGER?", features a camera icon and two illustrations: a person eating an apple and three children in a classroom. Both cards have a green smiley face icon and a star icon.

NUMBER TALKS

Two math activity cards are shown. The top card is titled "WHAT TAKES LONGER?" and features two illustrations: "Brushing your teeth" and "Walking the dog". Below the illustrations is a small hourglass icon and the instruction "Drag the star onto the activity that will take the longer". The bottom card is titled "What could you do...? In one hour?" and features three illustrations: "Eat an apple", "Play football", and "Brush your teeth". Below the illustrations is a green smiley face icon and the instruction "Put the green smiley face on the best answer". Two cartoon characters are also present: one holding a large yellow clock and another holding a large pink clock.

Measuring using informal units - TIME

NUMBER TALKS

The image shows two overlapping worksheets for a time-telling activity. The top worksheet is titled "What is the time? (hours)" and shows three penguin-shaped analog clocks. The first penguin clock shows 11 o'clock, the second shows 1 o'clock, and the third shows 10 o'clock. Below the clocks is a small robot icon and the instruction "Drag the robot onto the clock that matches". The bottom worksheet is also titled "What is the time? (hours)" and shows three bee-shaped analog clocks. The first bee clock shows 8 o'clock, the second shows 9 o'clock, and the third shows 10 o'clock. Below the clocks is a small robot icon and the instruction "Drag the robot onto the clock that matches the given time".
