

SHORT A CVC SEGMENTING & BLENDING

WITH WORD BUILDING

These Short A CVC Segmenting and Blending with Word Building Cards can be used alone to practice segmenting by isolating the sounds in the short A CVC word. The dots serve as a visual reminder for students to stop and pause between individual sounds when blending or segmenting CVC words.

The Dot Cards can also be used with the included letter cards, so students can practice letter/sound associations and word building.

Comes with an Organization Guide and a suggestion on how to use with your students!!

Task card box covers and directions included for both sizes – you choose based on your needs!
