I want a muffin, so I walked to the shop. It was humid.

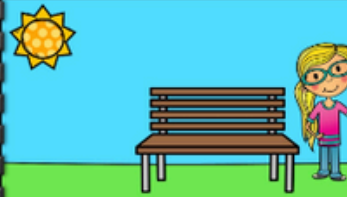

The shop was open. There was music on in the shop.

I picked a jumbo muffin and put it on a napkin. Then, I grabbed a frozen drink.

I left the shop and sat on a bench. I ate my muffin and drank my drink.

When I was done, I put my trash into a bin and began to walk home.

What does she get at the shop?

Jack is a kind child. He likes to be in the wild. One day, he finds an old map.

The map has a path. Jack tells his friend, Jess to come along.

Jack and Jess begin walking. The wind is cold. They both put on their vests.

The map brings them to a cave. The cave is black.

Just then, a fox bolts out of the cave. Jack and Jess hold hands.

They walk into the cave. Jack switches on the lamp from his phone.

They smile. They see gold! "This is the most gold I have ever seen!" Jack says with a grin.

They spend the rest of the time filling their backpacks with as much gold as they can!

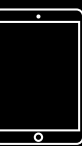

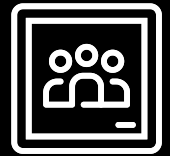

Why do Jack and Jess hold hands?
