

LOGICAL FALLACIES COLORING ACTIVITY

Supports multiple
learning styles

Why do color by
code activities work
in ELA?

Encourages error
checking

Promotes academic
confidence

Makes learning
fun!

Logical Fallacies Color by Number

Name: _____ Date: _____ Period: _____

Directions: Read each statement and determine which logical fallacy it exemplifies. Next, use that corresponding answer color to color in parts of the image on the next page that corresponds with that question number. Colors may be used more than once or not at all.

1. When the principal banned snowball fights, students complained that she wanted to ban fun completely.	2. Cold weather is dangerous because it's unsafe.	3. School closed after I wished for a snow day, so my wish worked.	4. I got sick once in winter, so now I know that winter always makes people sick.	5. All of my friends ice skating is the best winter activity, so it must be true.
post hoc	straw man	begging the question	false dilemma	post hoc
Yellow	Orange	Pink	Purple	Red
6. You either love winter or hate it.	7. If we stay inside for gym because it's cold, soon we'll never go outside at all.	8. Don't take his ideas about winter sports seriously; he's terrible at them.	ad hominem	hasty
			red herring	bandwagon
