- Your students will learn through the course content as well as their assessments the different systems of the human body.

Buyer Comments From My PowerPoints

- "What an awesome resource!!! Thank you, Thank you, Thank you!"
- "This unit has saved me. It is comprehensive, easy to use, and very thorough. I love the embedded videos that give the students a clear visual of the concepts that are presented. Thank you so much! I'll be checking your other resources for sure. "
- "Wow!! Amazing resource. It is so well put together and amazing to use. Thank you!!"
- "Fantastic - so thorough and well organized! I could create these, but it would take me forever - I am so grateful to not have to reinvent the wheel. Thanks for the great resource!"
- "THANK YOU!! THANK YOU!! THANK YOU!!! Saved me so much time...love the worksheets that go along with the powerpoints!!!"
- "I just bought this unit and AMAZING! You spent an incredible amount of time creating this unit! I love it and can't wait to use it. I enjoy using resources like this so much and my students do, too. The video in each lesson is fantastic... breathtaking.... gives me chills! Thank you so much! You could easily charge more."
- "It was a great resource. it saved me many hours of preparation."

Buyer Comments From My Lab Station Activities

- "LOVE LOVE LOVE!!!"
- "Your Products are just what I need to assist my teaching for the upcoming school year! Love them!"
- "Wow. Simply amazing!"
- "My students absolutely loved this and begged for more like it."
- "I cannot say enough good things about these lab stations. LOVE THEM. Perfect for a class period or when you don't want to set up a wet lab. I just adore these."
- "Students loved and stations and I loved the learning!! Great product!"
- "THIS WAS AN AWESOME ACTIVITY!"
- "Used this today and my freshman LOVED it! The lesson provides opportunities for the students to both be creative and demonstrate learning. They were engaged the whole time and passed in quality work. Will definitely be looking for your other station activities to use in my classroom."
- "Awesome resource. I am using this instead of a paper test. Much more inclusive learning!"

Buyer Comments From My Science Comprehension Readings

- "I hesitated to buy this, but bit the bullet and did it anyway. It has been my GO TO homework! As a science teacher, it can be really hard to find reading that holds their attention and improves reading skills. Thanks!"
- "Excellent balance of articles. I was looking for some good readings to teach science reading comprehension. Liked the variety of questions."
- "I use these as once a week assignments in my science class and they are great. Thank you for putting this all together."
- "I love these readings"
- "Awesome, awesome, awesome bundle!"
- "These are so professional looking with great information! Thanks for the great offer!"
- "EXACTLY what I NEEDED! Thank you!!!! AWESOME job!!! Great rigor and flexibility!"
- "Thanks, this is a great addition to my science and health units."
