

TASK BEHAVIOR

LESSON PRESENTATION

Support classroom culture and behavior management by teaching the behavioral concepts of ontask and offtask behavior!

Consequences of off-task behavior

Increase of mistakes and lack of focus
Likely to miss deadlines and assignments
Disruption of peers and learning
Reduction of learning opportunities
Lack of positive feedback from staff and peers
Isolation

What does on-task behavior look like?

- Taking notes during lecture
- Working quietly during assignments
- Asking relevant questions
- Completing assigned projects
- Staying in assigned seat or workspace tidy and organized
