

# VALENTINE KINDNESS

Design a machine that spreads love.

Think about:

- How** you want to spread love?
- Who** you want to spread love to?
- What** kind of love do you want to spread?

Can you think of a great name for your machine?

What do you need to build your machine?

# REVIEWS

“What a beautiful resource! I love the pictures used and how thought provoking the tasks are. My kiddies are going to love it and I can't wait to use it. Thank you very much.”

“What a lovely and wonderfully creative resource! It added so much to our Valentine/February fun and we are still drawing activity and ideas from it this month. It has become a part of our Classroom Kindness and Caring Initiative. It sparked so much thinking for my kiddos. They loved it! Thanks for a very original and pertinent product!”
