SAMPLE PAGES

map symbol

Map A Town

Teacher Instructions

Give each student a classroom map template, one-half of a map key tracing template, and one large sheet of construction paper. Provide students with glue and scissors.

Note: You might also consider cutting out tracing pieces prior to activity for younger students.

Student Instructions

Cut out the map key and the tracing templates. Glue the map key into the corner of your construction paper. Trace around the pieces to draw in the furniture and other objects. Label and colour each item.
