- **Practice using the correct form of bon**
- **Practice choosing between bon and bien**

BON OR BIEN?

Explanation and Practice

BON

Bon is an adjective. It describes nouns - people, places, things and ideas.

Because it is an adjective, **bon** changes to match the word it describes - masculine or feminine, singular or plural.

BIEN

Bien is an adverb. It describes how someone or something does an activity.

Because it is an adverb, it never changes.

Explanation

HERE ARE SOME EXAMPLES:
Note the word in **bold** - this is the word that is being described.

La **pizza** est bonne.
J'aime les **bons** films.
Tu as le **bon** ordinateur?
Les **glaces** sont très bonnes!

Le bébé **marche** bien.
Tu **chantes** bien!
Mes amis **parlent** bien en anglais.
Mbappé **joue** bien au football.
