

DETECTIVES URGENTLY NEEDED!

As curator of the esteemed Museum of Government, I was shocked to discover that a collection of crucial artifacts had been stolen. My investigation has led me to a hidden chamber within the museum. But it appears that the thieves locked the artifacts in a safe! A secret code stands between me and the recovery of these priceless artifacts.

Now, I turn to you dear detectives, for help cracking the code and unlocking the safe before the thieves return. The code seems to be a series of letters, hinting at a hidden word or phrase that will act as the safe's combination. Perhaps the clues scattered around the room will help you uncover this mysterious code.

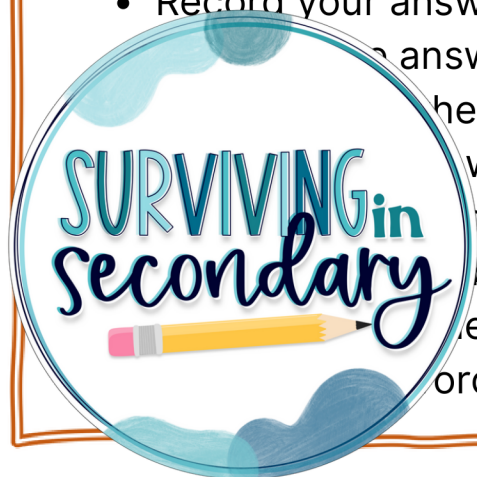

The fate of history rests in your hands. Please, don't let me down.

DIRECTIONS

Your job is to determine all 10 code words by answering the question at the bottom of each clue card. The answer will always be revealed on a different clue card, so you will need to move around the room and read/reread clues. You may start at any card and go in any order!

To solve the mystery, you will...

- Record your answers & path on the Trail Tracker.
- Write the answer under "Code Word" and the number of the clue card where the answer was discovered under "Found!"
- Write the code word in the appropriate box on the Answer Sheet (the code word from Clue Card 1/Q1 goes on Line 1).
- Use the code word to reveal the letters in the gray-shaded boxes. Do NOT include spaces or punctuation.
- Use the letters from the gray-shaded boxes to reveal the word and save the artifacts!

Period:

Q#	CODE WORD	FOUND	Q#	CODE WORD	FOUND
1			6		
2			7		
3			8		
4			9		
5			10		

ANSWER SHEET

A large grid with a crossword puzzle pattern. The word "SECONDARY" is written diagonally across the grid. In the bottom left corner, there is a circular logo with the text "SURVIVING in secondary" and a pencil illustration.

CLUE CARD #1

An **autocracy** is a form of government where one person is in charge. This ruler, sometimes known as an autocrat, is not restricted by other leaders and can govern without checks or balances.

CODE WORD #1: What is the name for the type of oligarchy where military officers rule after taking over a country by force?

CLUE CARD #2

A **monarchy**, where a king or queen rules the country, can be considered a type of autocracy. However, modern monarchies are typically **constitutional monarchies**. In this system, the monarch is largely a ceremonial figure, as the monarch is limited by a constitution and most decisions are made by other governing bodies.
