How to use these templates

Your students can create their own mini themed projects on a variety of topics around the theme of Australia. You have a variety to choose from including:

-  Australian States
-  Australian Animals
-  Australian Landmarks (2 templates to choose from)
-  Australian Bank Notes
-  Australian Coins
-  Blank Template to use for your own topic

 Children write their information on each page and design their front page cover.

 When all of the information is completed, students cut carefully along the heavy lines.

 Collate the sheets so that the tabs are in order.

 Staple just inside the dotted lines.

 Fold along the dotted lines, and glue the back page to stick the mini project into their workbooks or cardboard display sheet.
