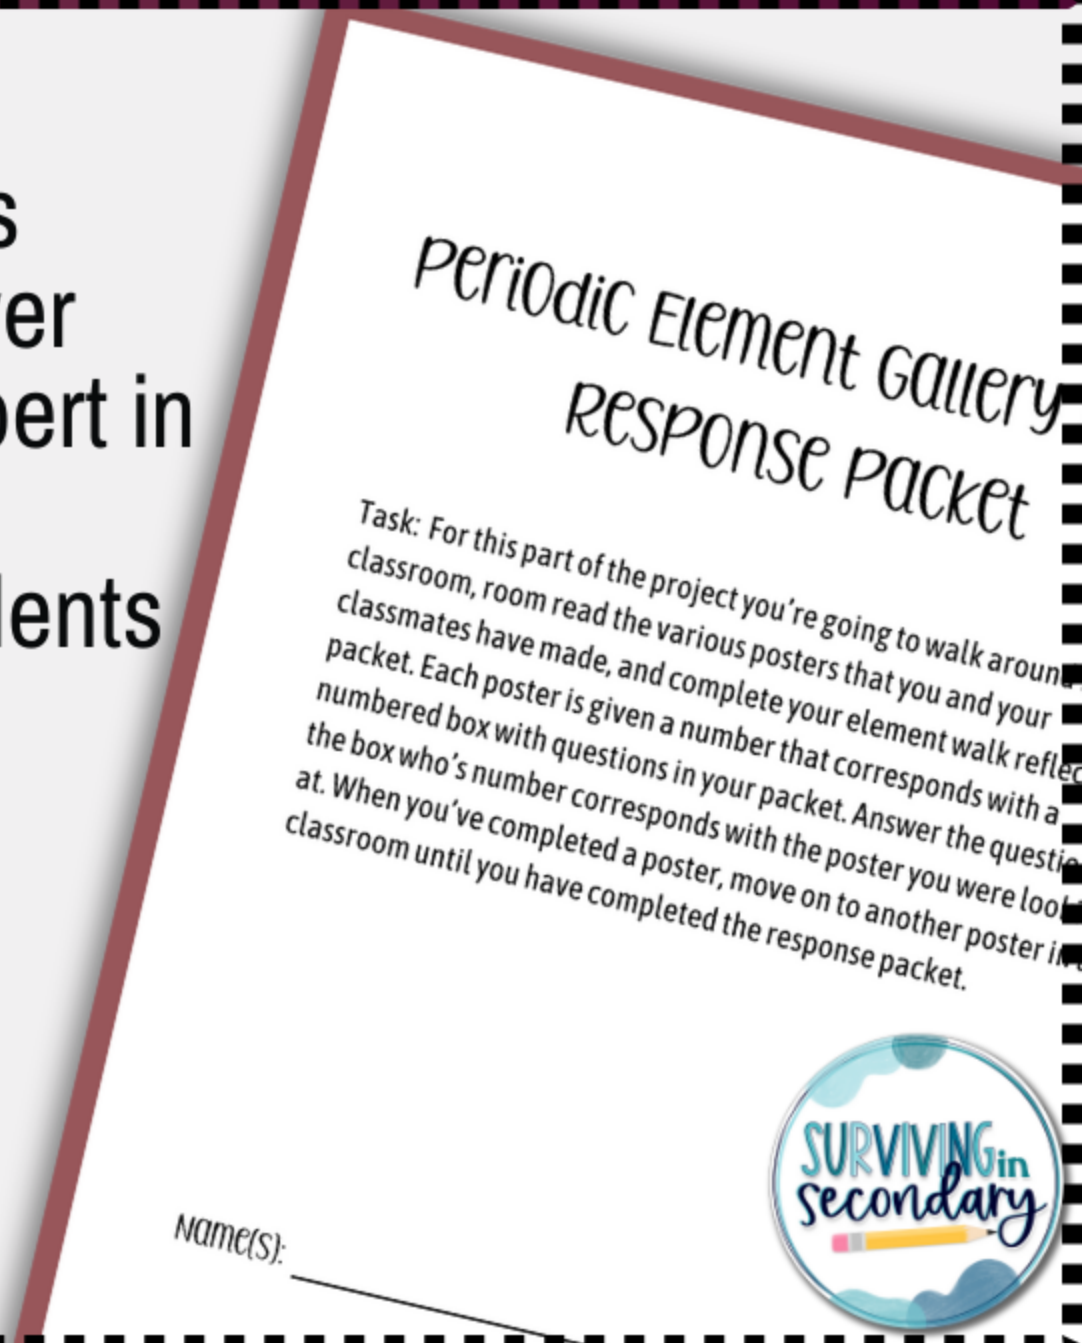
POSTER PROJECT & GALLERY WALK

- Students will
  - Follow mini-due dates
  - Research and Discover
  - Be the classroom expert in their tool!
  - Learn from other students
  - Show their creativity



Periodic Element Gallery
Response Packet

Task: For this part of the project you're going to walk aroun
classroom, room read the various posters that you and your
classmates have made, and complete your element walk refle
packet. Each poster is given a number that corresponds with a
numbered box with questions in your packet. Answer the questi
the box who's number corresponds with the poster you were loo
at. When you've completed a poster, move on to another poster i
classroom until you have completed the response packet.
