Pattern Recognition

How do I use this?

- Print, cut, & laminate the task cards and answer cards.
- Add velcro dots for added fine motor practice.
- Children will place the answer cards to complete the patterns.
- Tip: differentiate by only leaving specific pattern types out. If you are using my preschool curriculum consider only using the patterns we have practiced in Sept-Nov. (AB, ABB, AAB)
- Interested in the no prep curriculum? Shop on [IPT](#) or [ETSY](#).
