St. Patrick's Day Snap Cubes

Build a St. Patrick's Day shape.

A large empty rectangular box for building a St. Patrick's Day shape using snap cubes.

Write the St. Patrick's Day vocabulary:

Roll & Cover St. Patrick's

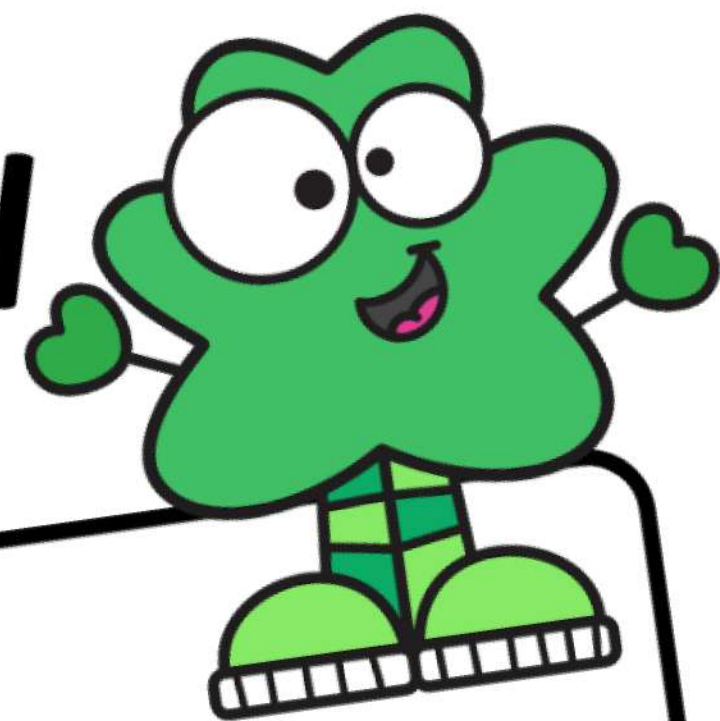

How do I use this?

- Print and laminate or put each sheet in a page protector.
- Children will roll a dice and cover the shape that matches that number. (Cover with bingo chips, lucky charms, etc.)
- If you roll a number that has no shapes left, roll again.
- Keep going until everything has been covered.
