Home page

When students open the home page, you will see a header image, a short bit of text, a form, and a photo of the Bastille prison. Clicking on different sections of the image will take students to the other pages with the clues for opening the different locks. As they mouse over the areas that are in red below (they are not red on the actual website), the areas will appear to be lightly shaded.

The home page form is where students will enter the different codes to unlock the keys.
