STORY STEPS WRITING PROMPTS

NARRATIVE WRITING

Students fill in the missing steps with a creative and logical story.

Differentiate by adding requirements

**Extension activities -
add details, discuss
logic**

Name(s): _____

Ladder of Consequences

The package

You must come up with 4 steps to get from the first sentence to the last. They must create a logical chain of events. They must be realistic - no supernatural powers, no superpowers, just cause and effect.

A strange person arrives for tea

Name(s): _____ Class: _____

Ladder of Consequences

You must come up with 4 steps to get from the first sentence to the last. They must create a logical chain of events. They must be realistic - no supernatural powers, no superpowers, just cause and effect.
