

CLIMATE CHANGE POSTERS

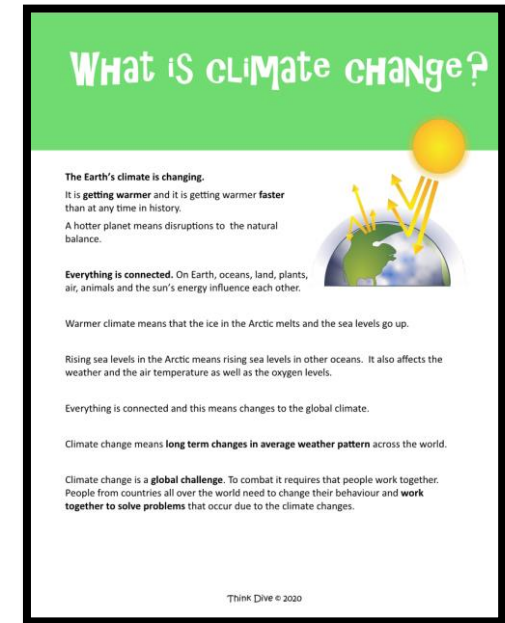

WHAT IS INCLUDED

7 posters

12 definitions of words related to climate change

There are lots of things to explore when thinking about climate change. The posters are a perfect compliment to a project-based learning unit focusing on identifying and exploring the effects that changes in the climate have on our planet. How does climate change affect animals? Can animals adapt to the changes?

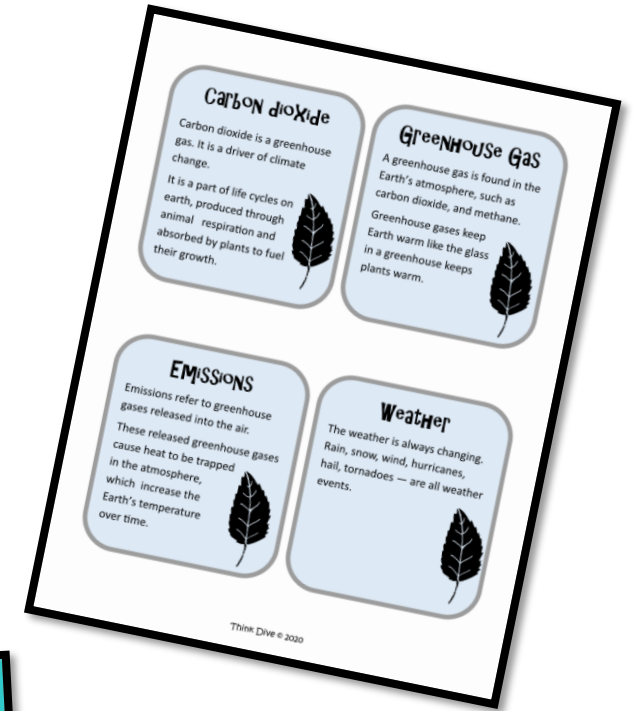

GREAT TO USE FOR

- ❖ Climate Change Projects
- ❖ Environment Studies
- ❖ Earth Day
- ❖ Centers
- ❖ Independent Work
- ❖ Creativity Challenges
- ❖ Distance Learning
- ❖ Easel Activities included

REVIEWS

“Was a great resource.”

“I like that the information on the posters sparked questions and help students process the information! This has made them to feel more accountable for the care of our environment. I love that students were asking questions to learn more about Climate Change! Thanks!”
