HEART WORDS

Over 400 Heart Words.

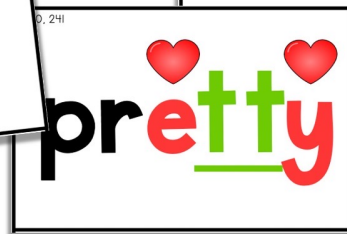

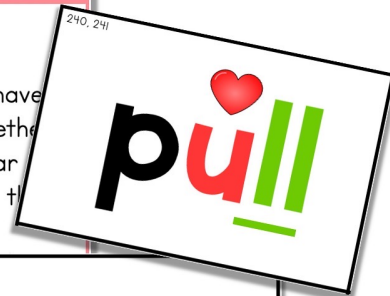

241 HIGH-FREQUENCY WORDS- IRREGULAR

Goal: Practicing reading high-frequency words.

Materials: heart word flashcards

Teacher: Choose a few heart word flashcards that have already been introduced to students. Practice together saying the sounds in the word, including the irregular grapheme, then blend the sounds together to form the word.

Students: Students will read the words with the teacher and then practice reading them independently.

COMPREHENSION

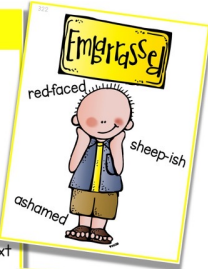

322 CHARACTER FEELINGS

Goal: Students will relate to characters based on how a character feels in the story. They will use the text to show evidence for their thinking.

Materials: Feelings Cards (choose the card(s) that you need depending on the guided reading text)

Teacher: After reading, discuss how a character in the story was feeling. Use the feeling cards to help explain the emotion. Discuss other possible words other than happy/sad to explain how characters are feeling. Find words and pictures in the text to help support their thinking.

Students: Students will identify the characters felt in the story that they
