Each clue page gives students a hint of what they are looking for and a link to a resource to find the answer.

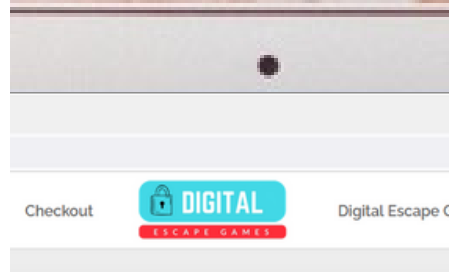

Canada is a country with two official languages – English and French. Québec province is the most solidly francophone, with the majority of residents speaking French as their first language. There are many French-inspired things to see, from shopping areas, art museums and bakeries to a large chateau(castle) that was originally the governor's home but is now a hotel.

Teacher guide and instructions

Detailed guide on how to play and what key unlocks each lock. Give your students support as necessary based on time and ability. You have the answer key - give students as much or as little help as they need to complete the task.
