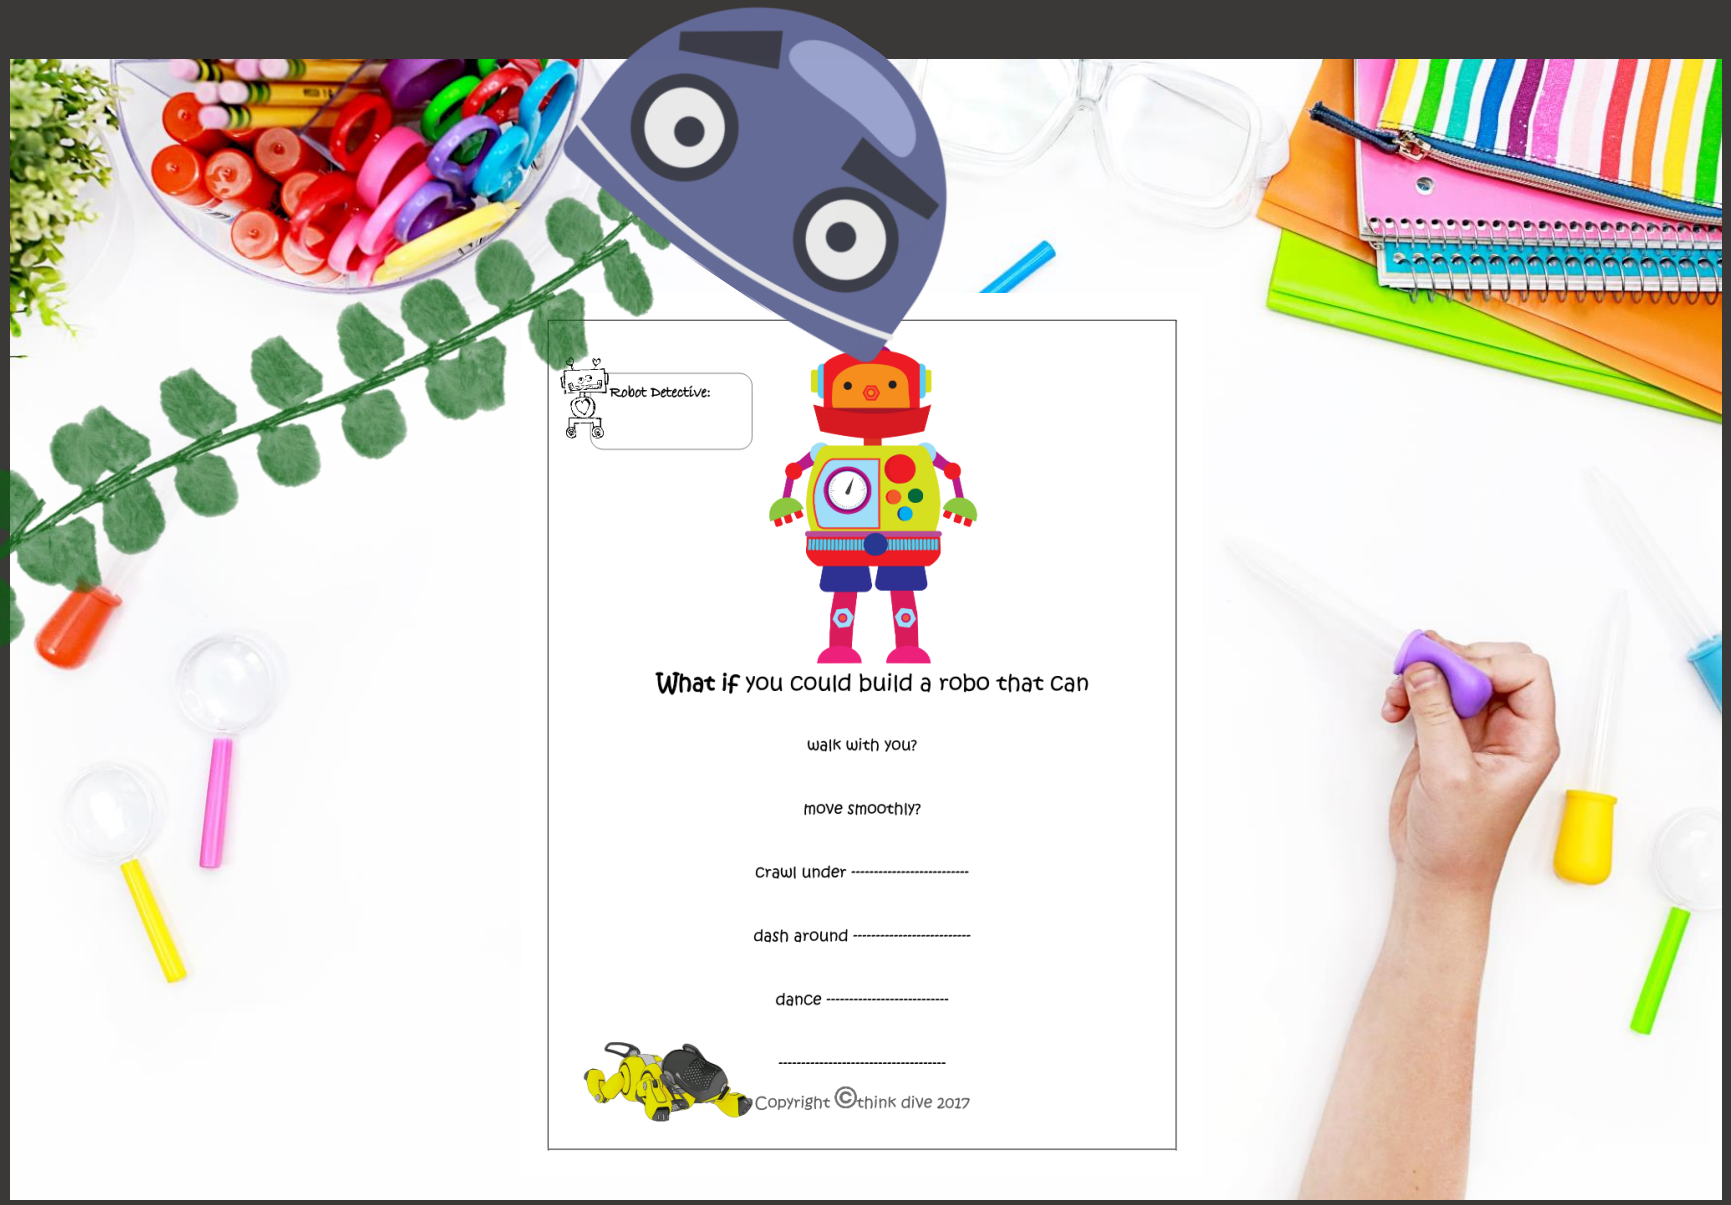
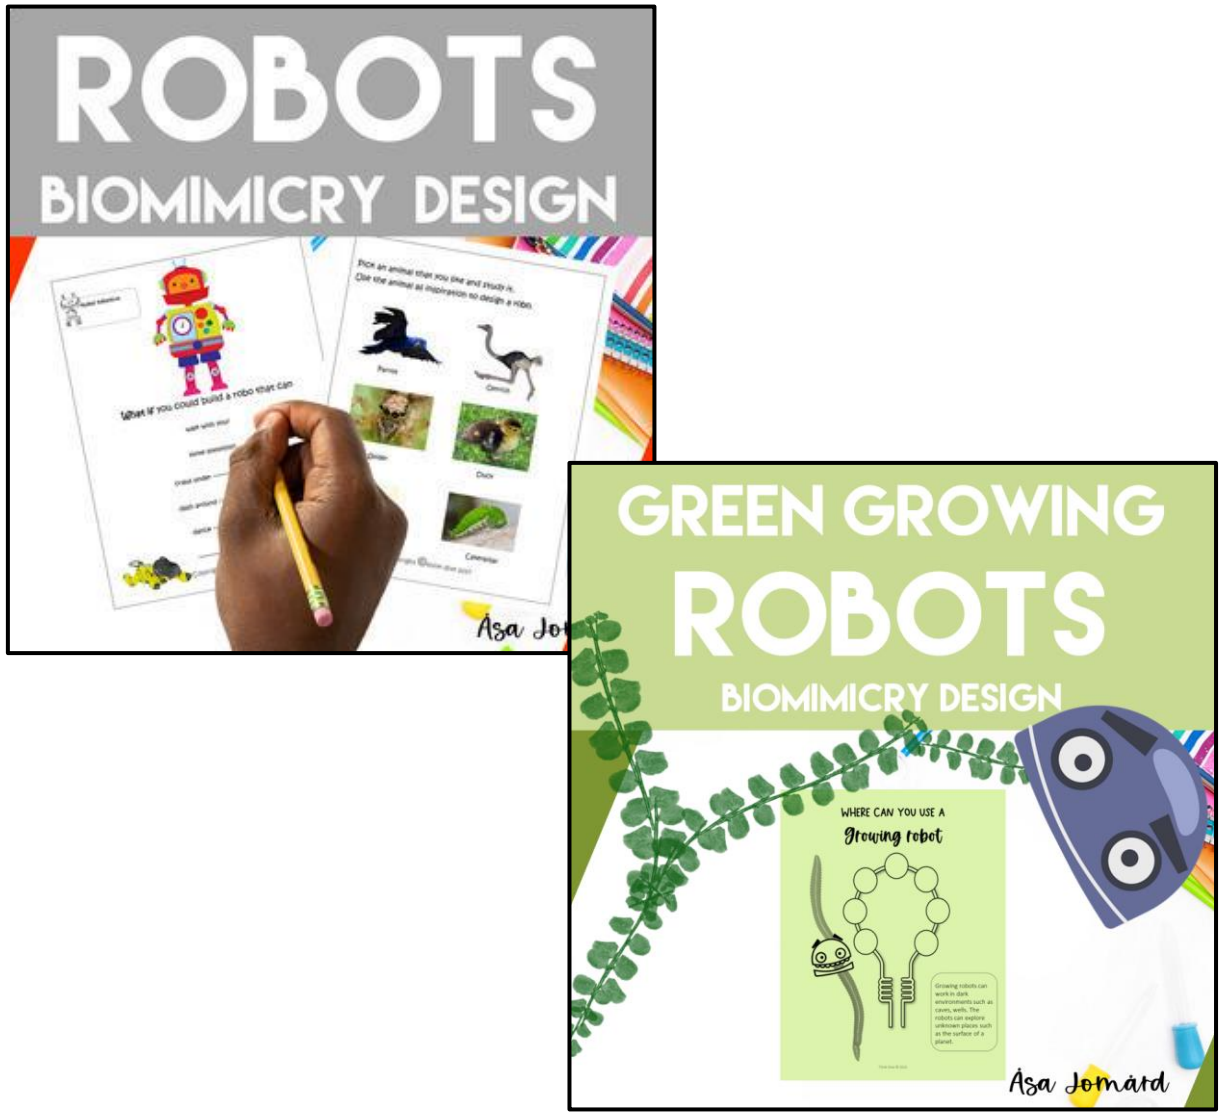
ROBOTS - BUNDLE



Looking for hands-on lessons and activities that engage children in environmental literacy? Biomimicry offers project-based instructions that may inspire future generations to care for nature and to see nature as a spot that offer not only calmness and spectacular experiences of beauty and drama but also can make your head twirl around with possibilities. Possible ways to solve problems.



INCLUDED

- Animal and Plants observations
- Math
- Poetry and Story Writing
- Thinking challenges
- Imagination Challenges
- Design Challenges
- Suggestions for art activities
- Easel Activities
