

DENTAL HEALTH MINI CARDS!

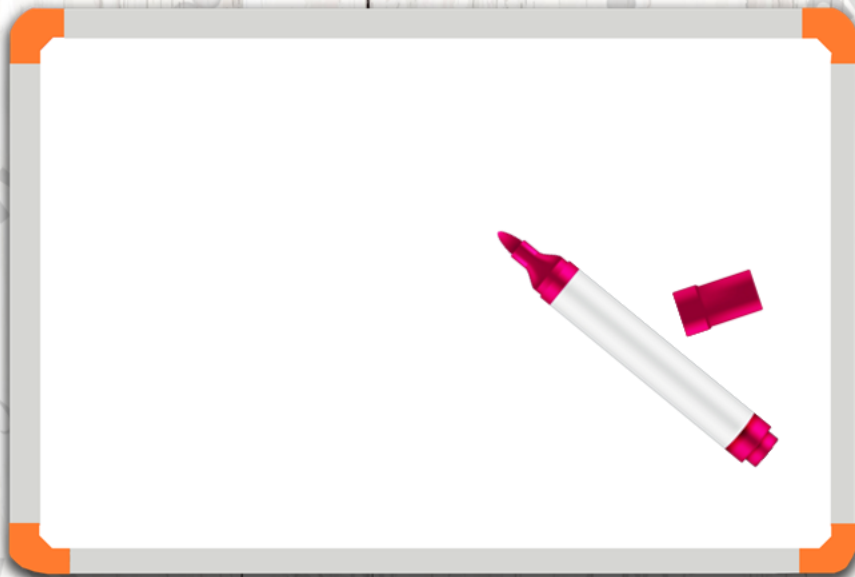

Use with manipulatives!

Play matching games!

Practice math & literacy!

HOW TO USE

- **Dental Health Week** is here! These **mini picture cards** are fun and versatile!
- Simply **print** onto card stock, **laminare** (for extra durability) and **cut**. You're ready for fun!
- Use these mini cards for **fine motor skills** practice, **matching** games, mini card **relay races**, mini card **scavenger hunts**, mini card **hopscotch**, mini card **fishing**, mini card **patterns**, **word walls**, **write the room** activities, and **memory** games!
- You can also use these cards to practice building **CVC words**, spelling **sight words**, spelling **names**, spelling **vocabulary** words, **counting**, **adding**, **subtracting**, matching **shapes** to their names, and learning about **dental health**!

- These **dental activities** are a great way for students to learn about, review, or practice dental health concepts. They can also be used as tools for **assessment**.
- These fun activities can be completed as a **whole group**, **independently**, in **small groups**, with **partners**, in **centers**, in **sub tubs**, or sent home as **extra practice**!
