PARIS DIGITAL ESCAPE GAME

Reading and listening activities

The Louvre is one of the largest museums in the world. It has several departments and you can see some of the most famous works of art, all in one place! There are many famous ladies, with the Mona Lisa (la Joconde in French) being the most famous. But there are other works of art that depict the female form in all its beauty, whether that might be a historical figure, a legendary figure, or even a deity!

**Visit different
monuments and
attractions**

The Conciergerie was not originally intended to be a prison, but was used as one later in its history. It held one of France's most famous prisoners right up until their final punishment was meted out and justice was served.

**Challenging and
fun!**

La tour Eiffel est le symbole de Paris, mais cela n'a toujours été le cas. Pendant de nombreuses années, on n'y a pas eu de tour ! Gustave Eiffel avait de grands projets et voulait quelque chose de spectaculaire. La tour a été construite en un temps record, inaugurée pour l'Exposition universelle et faisant de Paris le centre de toutes les attentions.

**Learn about the
history and culture**

Teacher's Guide

**Includes
instructions on
where to access
the game, how to
play, and an
answer key.**
