- Upon click, disappears to reveal the activity topic

SLIDE COMPONENTS

MUSIC and/or SOUND EFFECTS
make the activity engaging

When it slideshow mode . . .
music auto starts
music loops until you move to the next slide.

The visual images help students tap into their experiences, memories, and imagination.

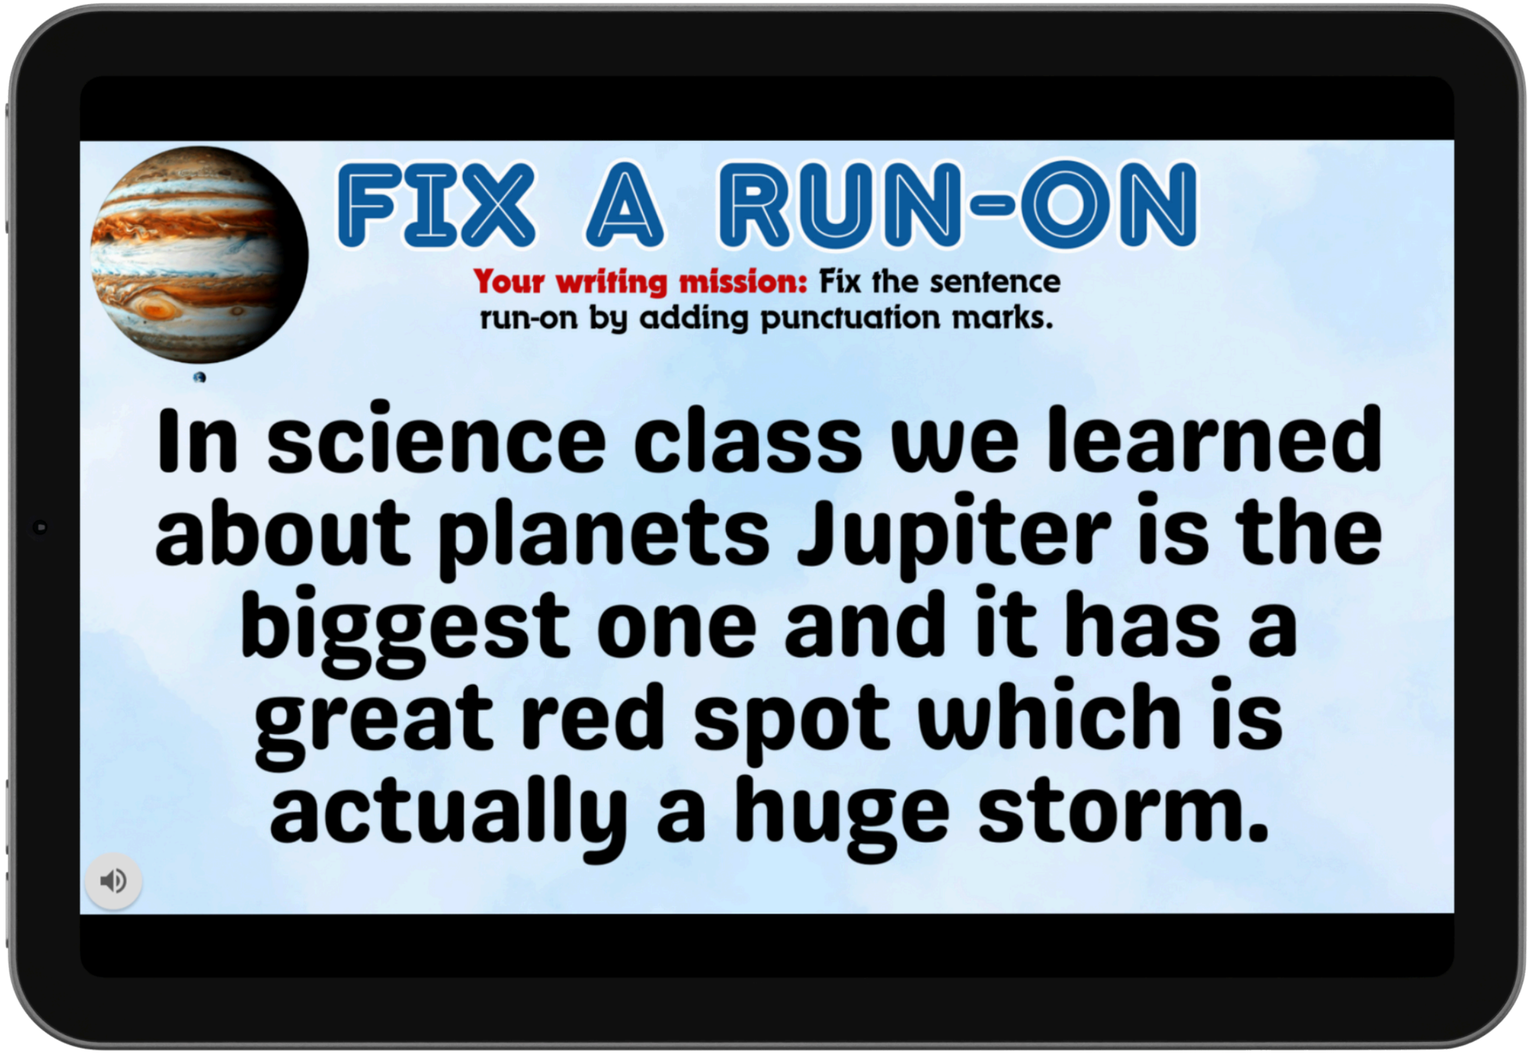

FIX A FRAGMENT

In this activity, students finish the fragment. The fragment can start a sentence, end a sentence, or go in the middle of a sentence.

FIX A RUN-ON

In this activity, students fix a run-on by adding in punctuation. Kids can rewrite this correctly in their journals, annotate on your interactive board, OR you can assign this slide via Google Classroom for students to fix.

COMBINE SENTENES

In this activity, students combine sentences as many ways as they can. Printable version can be glued into journals. Potential answers are also included.

COMBINE SENTENCES (Pack details into sentences):

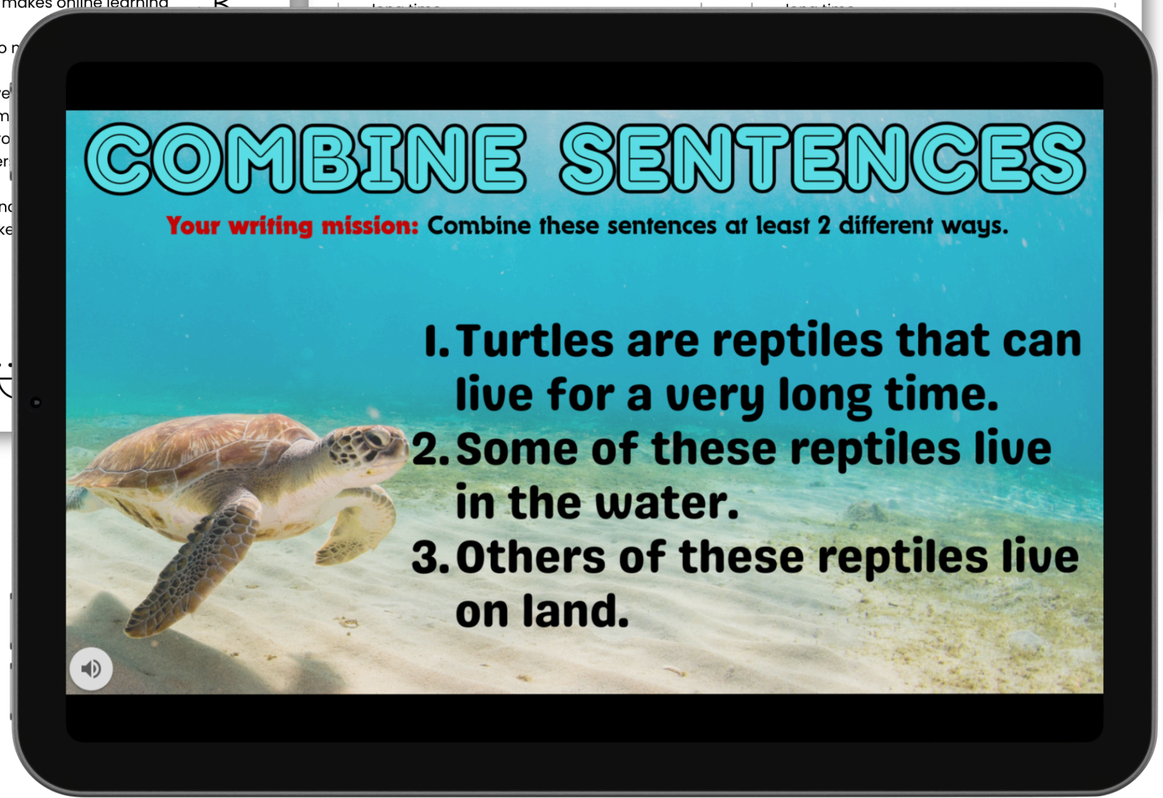

Potential Sentence Combinations:

1. The solar system has eight planets that all travel around the Sun in oval-shaped paths called orbits.
2. Soccer, a sport where players score goals by kicking a ball into a net, is popular around the world.
3. Turtles, long-living reptiles, can be found in the water or on land.
4. Baking cookies is a fun activity that involves mixing several ingredients, such as flour and sugar.
5. The trumpet is a shiny brass instrument that makes a loud and joyful sound.
6. Because technology is changing so fast, many kids have smartphones and tablets, which makes online learning more common.
7. Trees provide shade, are home to n
help clean the air we breathe.
8. True friends help each other, have
and support you during tough tim
9. Many kids admire superheroes fro
because they have special power
justice.
10. Reading opens up new worlds, an
exciting stories at great places like

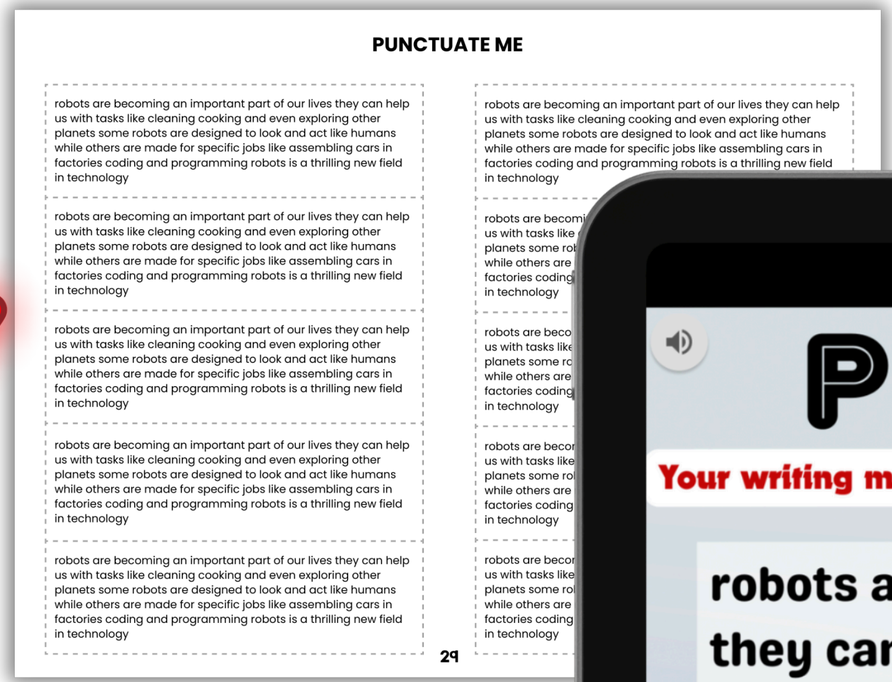

COMBINE SENTENCES

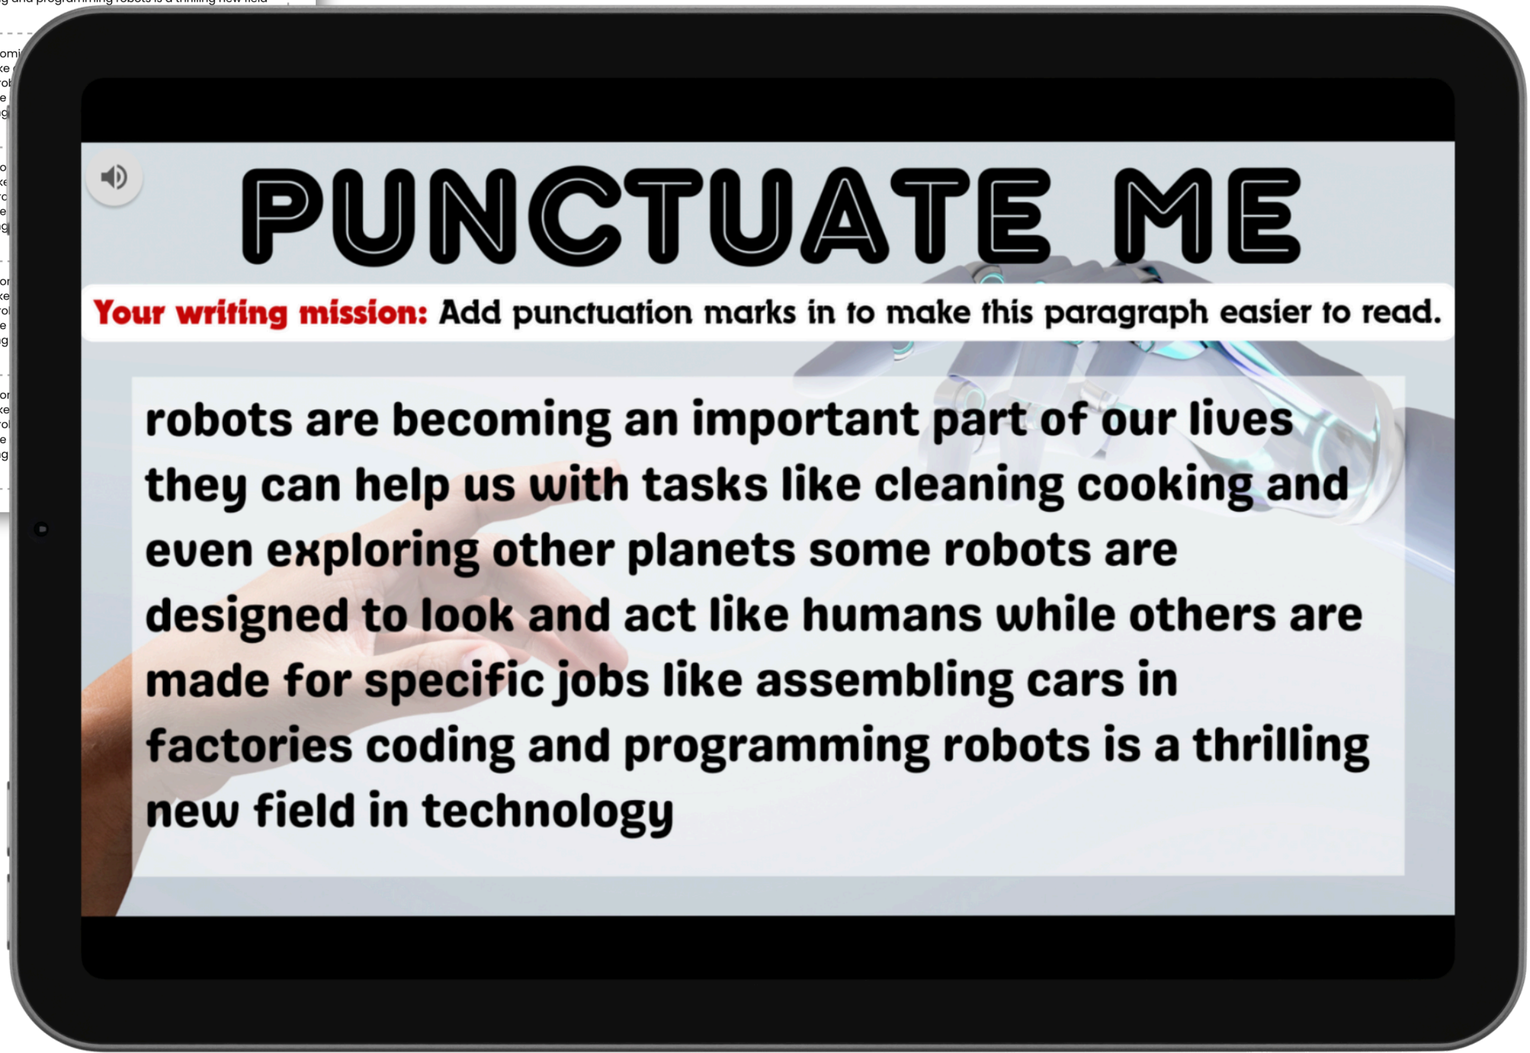

- Turtles are reptiles that can live for a very long time.
- Some of these reptiles live in the water.
- Others of these reptiles live on land.

- Turtles are reptiles that can live for a very long time.
- Some of these reptiles live in the water.
- Others of these reptiles live on land.

PUNCTUATE ME

In this activity, students combine sentences as many ways as they can. Printable version can be glued into journals for easy corrections.

MIMIC A MENTOR SENTENCE

In this activity, students imitate a given mentor sentence by replacing the words and phrases to change up the context, but keep the sentence structure.
