

MNEMONIC POSTERS

MAKE SPELLING A LITTLE EASIER

☀️ Employ the vivid imagery of mnemonic posters to anchor spellings in students' memories more firmly. The visual associations can act as a mental glue, helping the spellings stick. ☀️

MNEMONIC POSTERS

Mnemonics

Mnemonics are memory tricks that help you remember how to spell tricky words.

qu	q is a lonely letter that needs you
the	two heavy elephants
said	silly ants in dresses
because	big elephants can always understand small elephants
went	we eat no treats
was	worms are slimy
friend	fri the end of your friend
they	they had eggs yesterday
again	a goat and insect nattering
but	butterflies under tables
came	can anyone make eggs
little	ladybirds in tiny tiaras learning English
made	mice are dancing excitedly
many	Magpie ate nutty yoghurt
people	pink eagle obeys pumpkins
some	Strawberries, oranges and lemons
come	can't open my eyes
very	vets enjoy red yo-yos

MAKE SPELLING A LITTLE EASIER

A mnemonic serves as a handy tool to spark memory, particularly useful when grappling with stubborn information that resists easy recall. The English language, with its array of challenging spellings that often defy logic, is a prime candidate for such strategies.

To enhance retention, pair these mnemonics with dynamic actions or emphasize them with expressive speech. This multisensory approach can solidify the connections in the brain, making the mnemonics even more powerful.

Adopt a gradual approach to learning mnemonics: start by displaying a single poster image prominently, such as on the classroom fridge, and encourage students to internalize it completely before moving on to the next one. This steady pace ensures each mnemonic is thoroughly embedded in memory.

Writing Prompts & Information Writing

Scaffold: Spark creativity with engaging writing prompts and guide students through the process of crafting informative pieces with our structured writing scaffold.

Animal Art Activity: Unleash artistic expression with a fun animal art activity, allowing students to bring these remarkable creatures to life on paper.

 **Mnemonic Poster Gallery Walk: Create a gallery of mnemonic posters around the classroom. Have students walk through the gallery, spending a few minutes at each poster to create a story or draw a personal connection to the mnemonic.**

Poster Presentation: Assign each student a mnemonic poster and have them present the word, the mnemonic, and how the image helps them remember the spelling. Encourage the use of gestures or actions to reinforce the mnemonic.

Weekly Mnemonic Challenge: Introduce a new mnemonic poster each week. Challenge students to use the word correctly in their writing and offer rewards for creative sentences that make use of the mnemonic.
