TEACHER'S GUIDE

La Toussaint

Clicking on the flowers will take students to a video about the holiday - November 1 - which will unlock the date lock (MM/1/01).

Home page

When students open the home page, they will see a calendar. Certain areas on the calendar are clickable links (the blue areas below). As they mouse over those spaces, the hand will appear to show them that it is clickable. Note that Google Chrome does not always show the hand! Either have your students use a different browser, or show them where to click.

They will also see a form with the spaces to enter the codes to unlock the locks. They should be careful to enter their answers exactly as requested (ALL CAPITALS) as the codes will not work otherwise.
