

The background of the image features several blue snowflakes of different sizes and a piece of patterned paper with green and blue rectangular shapes. The main text is on a white card tilted at an angle.

Feed the Penguin Identify Shapes

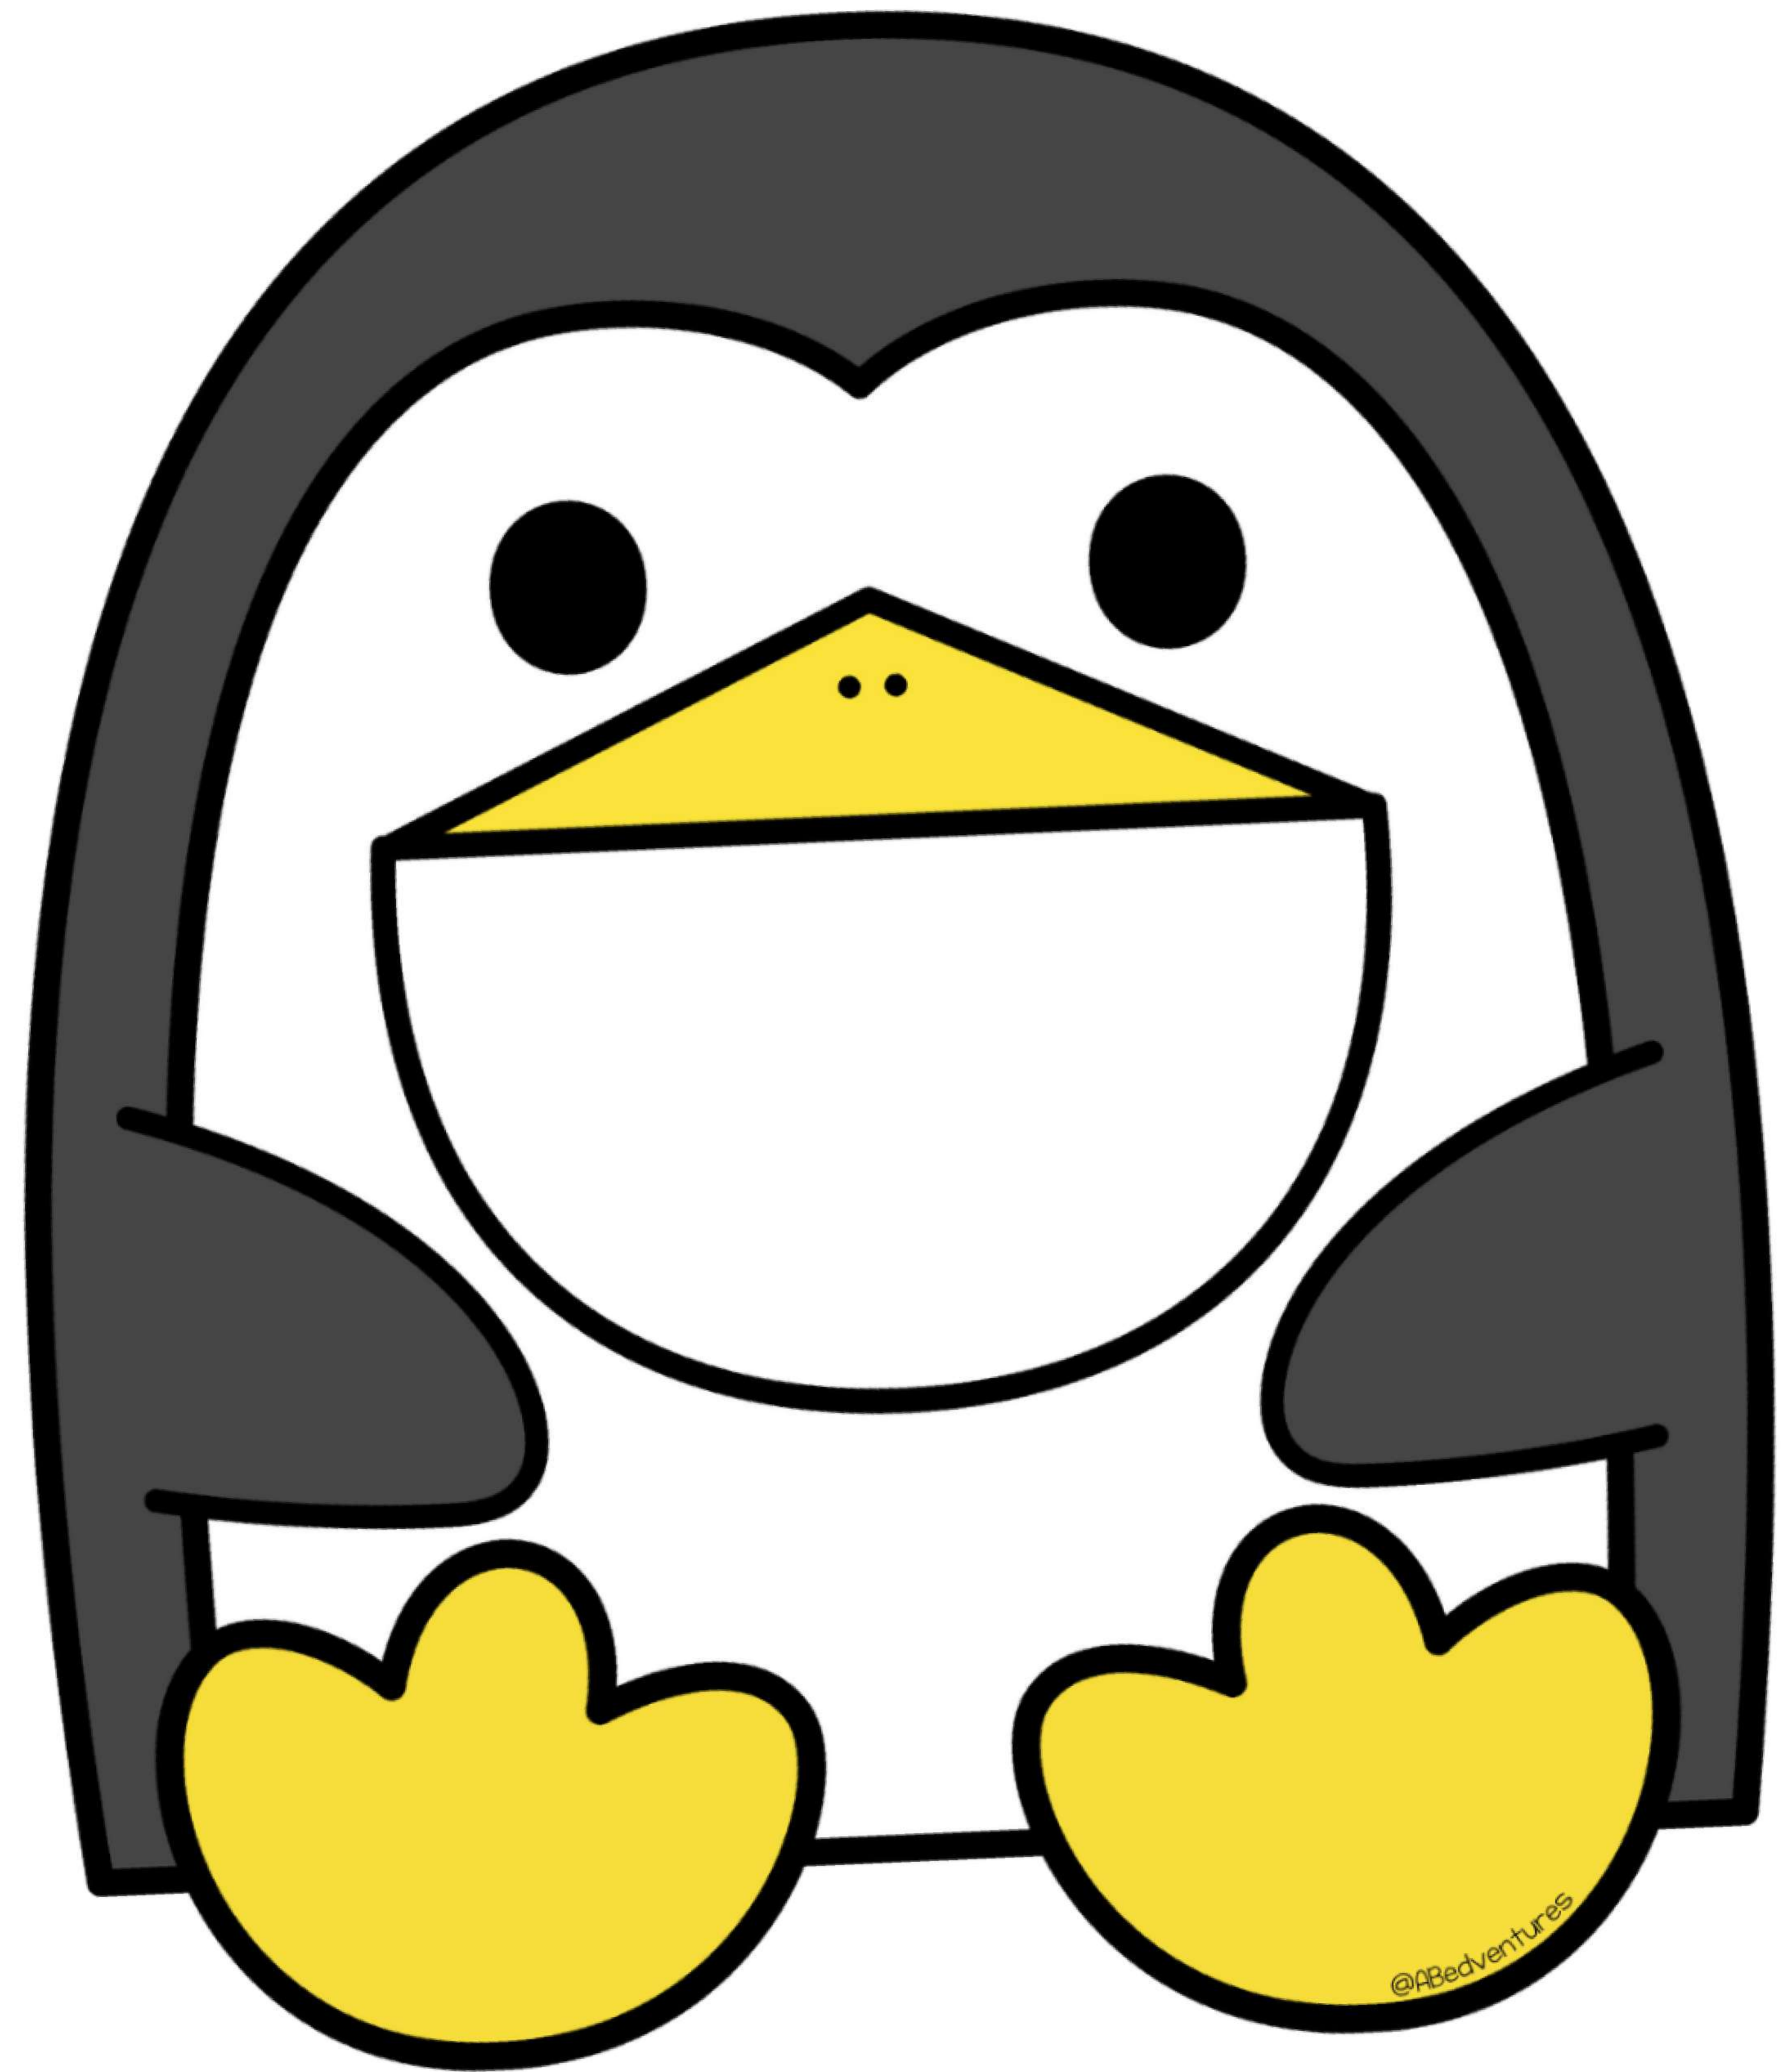

How do I use this?

- Option 1: Cut around the outline, cut the mouth out & glue to a box.
- Option 2: Print on thick cardstock, cut out the mouth, and fold on dotted line to make it stand up.
- Next, cut all pieces of food and recipe cards out. Laminate if you wish to reuse.
- Children will pick one shape card & find all of the pieces of food with that shape (one of each color fish). You can lay out the pieces or put them in a sensory bin for more fun.
- Tip: differentiate by only leaving a few shapes each day. This will help it to be less overwhelming if they are still learning their shapes. If you are using my preschool curriculum you have introduced all of the included shapes and can use what your child/students are ready for.

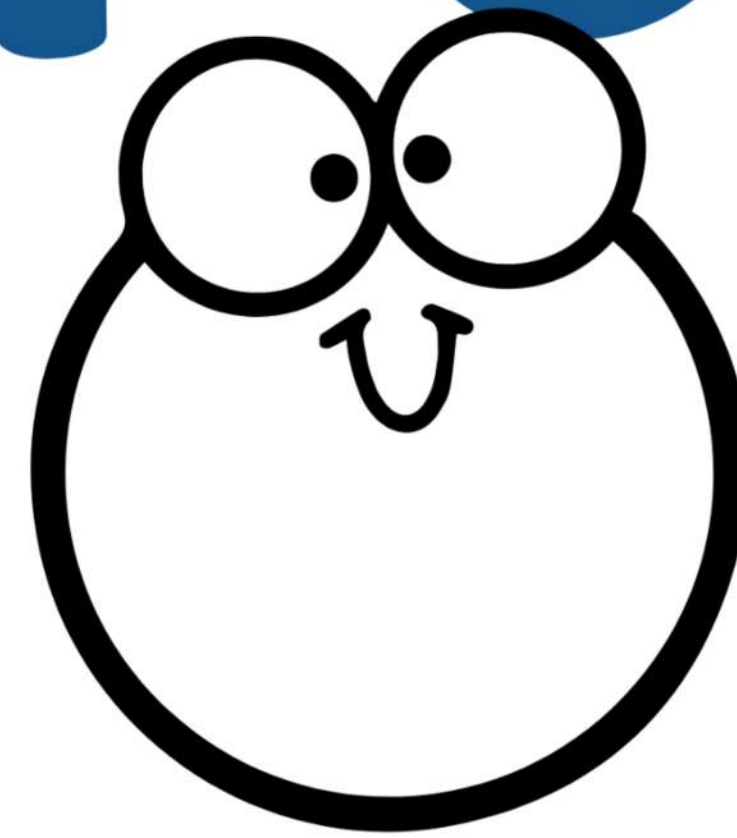

Cut out
the
penguin
and the
mouth!

Either
glue to a
box or use
option 2
to stand
the
penguin
up.

Pre-K & Kinder Activity

How it works:

- 1: Download & print.
- 2: Set up Reindeer
- 3: Cut out the pieces.
- 4: Feed the Reindeer
