

END OF THE YEAR

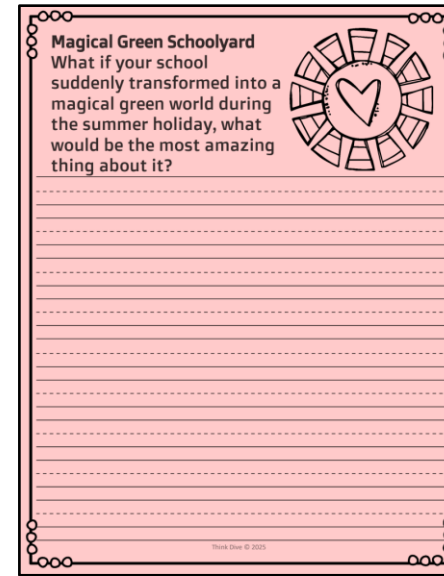

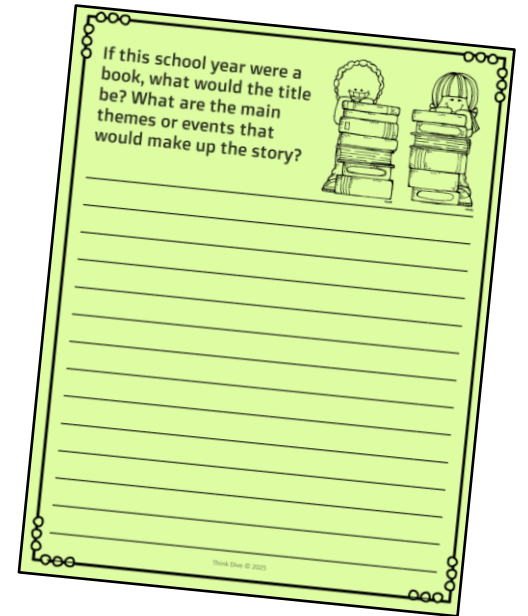

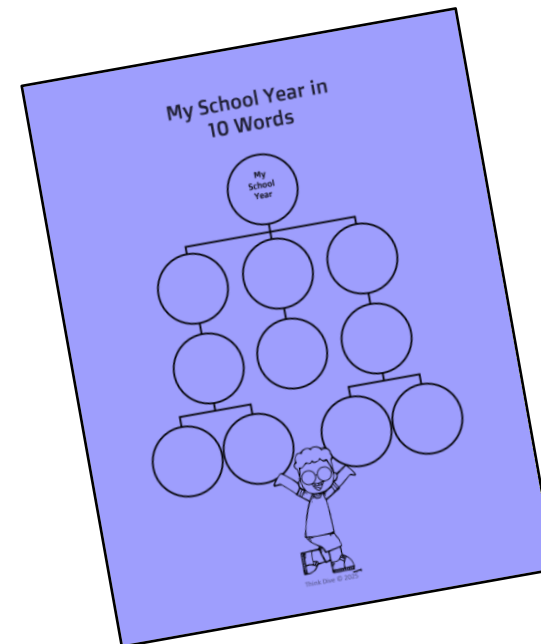

Why do we have
End of the Year
Celebrations?

A central graphic featuring a yellow sun with a blue heart in the center. The sun has yellow rays and a white outline. Surrounding the sun are four empty circles, one in each quadrant, connected by lines to the central sun graphic. This is a template for a mind map or a writing activity.

Review – Math Journal Prompts

“A wonderful set of problems to get students thinking; and I love the extra challenge provided by showing their work to explain how they arrived at the solution. Thank you for the great prompts!”

“I sent this booklet home for parents to help one of my students. It was easy to put it together. Thank you!”
