OBJECT

Collect the most coins by the end of the game to win. If a money bag (💰) is revealed above the prize box, the player automatically wins. The player currently in the lead will be indicated by a star (★).

DIRECTIONS

1. Play rock, paper, scissors to determine who will go first.

2. Choose a question of your choice to answer. Use the [wheel](#) to choose a question.

3. Type your final answer in the answer box below your question.

4. If **correct**, coins will appear and the answer boxes will turn green. If **incorrect**, a red (X) will appear next to your answer.

5. Whether correct or incorrect, it is now the other player's turn.

6. Missed questions remain in play until answered correctly.

*If at any time a money bag (💰) is revealed above the prize box, the player automatically wins. If a star (★) is revealed above the prize box, on your opponent's turn, you must type the correct answer before they do.
