# LES PLURIELS

## A complete explanation

To form plurals in French, we add an "s" to most nouns.

**le chat**

**les chats**

**la fille**

**les filles**

**Most nouns**

Nouns that already end in an -s don't add another one - but the le, la or l' DOES change:

**le fils**

**les fils**

**la souris**

**les souris**

**Nouns ending in S**

Some words don't follow this rule - they add an X in order to form the plural. Many nouns ending in -au, -ou and -al change to -eaux for the plural.

**l'oiseau**

**le cheval**

**le hibou**

**les oiseaux**

**les chevaux**

**les hiboux**

**Nouns ending in au,  
ou and al**
