Ways to Win

Choose one based on students' level and time available.

4 in a Row

Once a student's card has a line of four markers in a column, row, or diagonal, the student should say "bingo." Check the card to verify that it is a winner. If desired, continue the game until more students have Four markers in a line.

4 Corners

Once a student's card has four markers in each of the four corners the student should say "bingo."

Inside Square

Once a student's card has four markers the four inside boxes, the student should say "bingo."

Outside Square

Once a student's card has markers on the outside boxes, the student should say "bingo."

Blackout

Once a student's card has all squares covered, the student should say "bingo."

Bam and Free

For some extra fun, add the bam and free calling cards into the mix.

When a bam card is chosen, players must remove a chip from their bingo board. It can be any chip the player chooses, or the caller can decide on a specific sound.

For example:

"Bam, remove one chip for the sound /b/. "

When a free card is chosen, players may place a chip on any square.
