Toileting & Diapering Communication Sheets

CLEAR, RESPECTFUL
TRACKING FOR
DAILY NEEDS

The image shows several overlapping communication sheets. The top sheet is 'F4 - Diapering Log' with a table for 'Diapering Log' (Time, Wet, Soiled, Both, Cream? Y/N, Staff Initials) and a list of 'Diapering Supplies Needed' (diapers/pull-ups, wipes, cream, extra pants, wet bag/plastic bag, other). Below it is 'F3 - Diapering Log' with a similar table and a 'Classes & Services Today' section. The bottom sheet is 'F1 - Functional: Toileting Log' with a 'Toileting Log' table (Time, Result, Prompt, Staff Initials) and a 'Toileting Supplies Needed' list. It also includes 'Classes & Services Today' and a 'Parent Comments/Signature' section. The sheets are designed to be staff-friendly and easy to print and go.

THE PROBLEM TEACHERS FACE

- Parents want consistent updates on toileting/diapering, but schools don't always have time.
- Details can get lost between multiple staff members.
- Communication about supplies or health needs can be urgent but often slips through.

The Solution: Communication Made Simple

✓ Fast daily logs with checkboxes

✓ Consistent structure across staff and days

✓ Clear codes for results & prompts

✓ Space for parent comments & signature

✓ Urgency notes for supplies (send tomorrow / send this week)
