topics included:

Musée d'Orsay

Clicking on the clock on the museum will take students to the museum's home page. Below the image of the museum are 5 images of paintings labeled A-E. Students will need to put the paintings in the order that they were painted in order to get the key. The correct order and the key to unlock the lock is **BCADE**.

They will need to click on the di

Please note that there is so students are too young/imm them, give them the code to the paintings they are rese on the Orsay website.

Monet

Clicking on the house in the photo will take students to a page about the gardens of Giverny.

They are looking for the name of the plants i Monet and a series of paintings: **NYMPHEA**

Manet

The Manet page will lead to a biography of Manet and a description of his works.

For the English game, students are looking for the painting that was considered a "manifesto" of impressionism: **ARGENTEUIL**

For the French game, students are looking for the painting that caused a scandal due to its subject matter: **OLYMPIA**

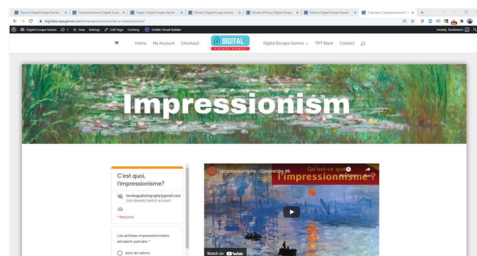

What is impressionism?

On this page, students will see a Google form with questions about a video and a YouTube video embedded on the page. They will need to answer the questions as they watch the video. If they get the answers correct, they will be given the key to open up the lock: **1886**.

The order of choices will change randomly each time the students play the game. The correct responses are:

English game: 1. Monet 2. Impression Sunrise 3. Van Gogh 4. Bright colors and brush strokes 5. The Salon

French game: 1. en plein air 2. les paysages et les scènes de la vie 3. les règles académiques 4. Impression, soleil levant 5. la couleur
