

BUNDLE 2 - PLANTS

DESIGN CHALLENGE — PITCHER PLANT

Feel inspired by the pitcher plant.

The pitcher plant is super slippery. The inside of the tube is coated with a thin slippery liquid. It is almost impossible for prey to escape their trap.

REVIEW

"This product is absolutely the favorite one I have purchased all fall! I love the information that is provided about bats - just enough to intrigue and encourage higher level thinking. There are graphic organizers, worksheets, and subtle suggestions to help young learners perform at their best! And best of all, it stretches their creativity! Thanks for such an amazing resource!"
