WILD ROBOT DISPLAY LETTER PACK

What's Included:

Green Fir Tree Letters:

Every letter needed to spell "THE WILD ROBOT" is crafted with a green fir tree design, where robots playfully hide in the forest. These PNG files are perfect for creating visually stunning classroom displays that immerse your students in the story's world.

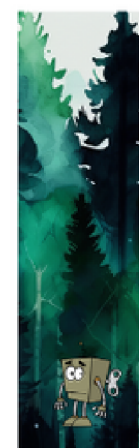

Black and White Version:

For educators who prefer a more versatile approach, we've included a black and white version of the letters. Use them to inspire your students' artistic talents, allowing them to color and customize the letters themselves.
