

ALPHABET LETTER LACING

SET UP AND ORGANIZATION

PRINT USING THE "SCALE TO FIT/FIT" OPTION. I LIKE TO PRINT CARDS ON CARDSTOCK AND LAMINATE FOR DURABILITY. TEACHER TIP: CUT OUT CARDS PRIOR TO LAMINATING AND CUT LAMINATED CARDS TO CREATE A NICE SEAL AROUND EACH CARD.

IF USING THE FULL SIZE PAGES, I LOVE TO STORE THEM IN A DURABLE CONTAINER THAT HOLDS ALL THE MATERIALS NEEDED AND STUDENTS CAN GRAB AND GO. THE IRIS SLIM PORTABLE PROJECT CASES ARE PERFECT! YOU CAN FIND THEM AT AMAZON AND/OR MICHAELS.

IF USING THE SMALL TASK CARDS, THE SIMPLY TIDY PHOTO AND CRAFT KEEPER IS A GREAT OPTION, ESPECIALLY WHEN YOU HAVE ALL TASK CARD SETS. I LOVE THE RAINBOW CONTAINERS BECAUSE IT ADDS SOME COLOR TO THE MIX. THESE CAN ALSO BE FOUND AT AMAZON AND/OR MICHAELS.

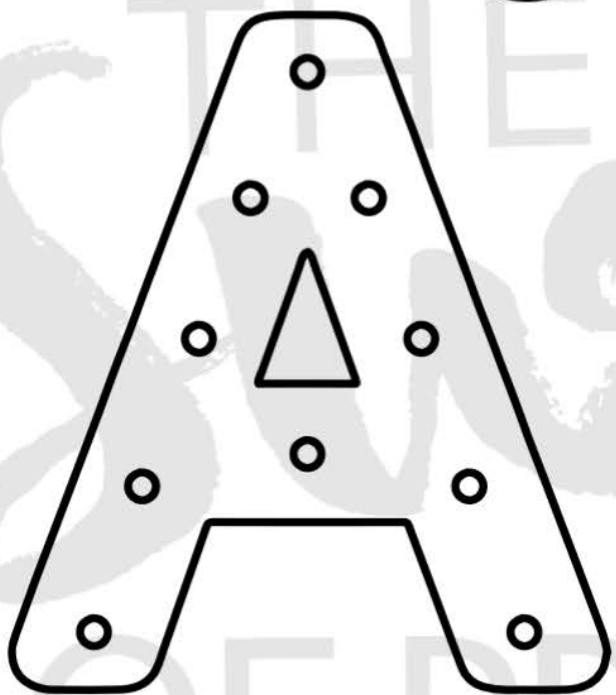

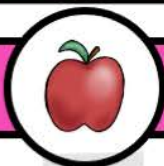

A SUPER HANDY TOOL THAT I USED TO PUNCH OUT ALL THE HOLES IS CALLED A SCREW HOLE PUNCH. YOU CAN FIND IT ON AMAZON. IT REALLY MAKES PUNCHING THOSE HOLES EFFORTLESS!

CLICK [HERE](#) TO CHECK IT OUT.

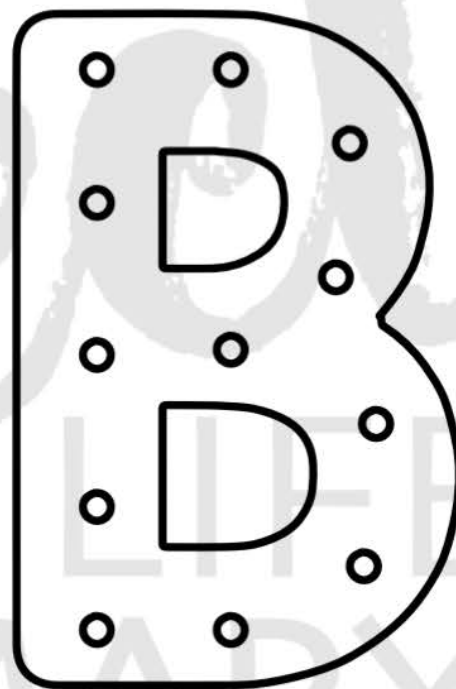

FOR ALPHABET LETTER TRACING, YOUR STUDENTS CAN BUILD THEIR FINE MOTOR SKILLS BY USING STRINGS, RIBBON, YARN, OR EVEN PIPE CLEANERS TO LACE THROUGH THE UPPERCASE AND LOWERCASE LETTERS.
