Crash Course Biology (2012) #34: Reproductive System

Name: _____ Date: _____

You can access the video here → https://youtu.be/_7nH2loFY8i-MFjQWmh0Ld3Yadk

1. In _____ reproduction, one individual makes more of itself without a partner.
2. _____ reproduction combines gametes from two parents to produce genetically different offspring.
3. Gametes are _____ cells formed by meiosis.
4. The large, energy-intensive female gamete is the _____ (in plants, the ovule).
5. The smaller, mobile male gamete is _____ that typically outnumbers eggs.
6. When sperm and egg fuse, they form a single _____ cell with a full set of chromosomes.
7. Across animals, females are defined by producing big, less mobile gametes, while males produce _____ gametes.
8. In mammals, the "default" setting is _____; without a Y signal, ovaries form.
9. Mammalian sex chromosomes are XX for females and _____ for males.
10. The monthly release of a mature egg from the ovary is called _____.
11. A fertilized egg implants in the _____, the inner lining of the uterus.
12. Sperm are produced in coiled _____ inside the testes.
13. The _____ keeps testes a few degrees cooler to enable sperm production.
14. During ejaculation, sperm travel through the _____ and mix with fluids from the seminal vesicles and prostate.
15. The nutrient-rich fluid carrying sperm is _____, which exits via the urethra during coitus.

Crash Course Biology (2012) #34: Reproductive System - KEY

1. In **asexual** reproduction, one individual makes more of itself without a partner.
2. **Sexual** reproduction combines gametes from two parents to produce genetically different offspring.
3. Gametes are **haploid** cells formed by meiosis.
4. The large, energy-intensive female gamete is the **ovum** (in plants, the ovule).
5. The smaller, mobile male gamete is **sperm** that typically outnumbers eggs.
6. When sperm and egg fuse, they form a single **diploid** cell with a full set of chromosomes.
7. Across animals, females are defined by producing big, less mobile gametes, while males produce **smaller, much more mobile** gametes.
8. In mammals, the "default" setting is **female**; without a Y signal, ovaries form.
9. Mammalian sex chromosomes are **XX** for females and **XY** for males.
10. The monthly release of a mature egg from the ovary is called **ovulation**.
11. A fertilized egg implants in the **endometrium**, the inner lining of the uterus.
12. Sperm are produced in coiled **seminiferous tubules** inside the testes.
13. The **scrotum** keeps testes a few degrees cooler to enable sperm production.
14. During ejaculation, sperm travel through the **vas deferens** and mix with fluids from the seminal vesicles and prostate.
15. The nutrient-rich fluid carrying sperm is **semen**, which exits via the urethra during coitus.

Buyer Comments From My Video

Worksheet Bundles

★★★★★ Extremely satisfied "I like the versatility of this. For my more independent students, they can do this for extra credit or sub work. For my classes who need more help, we watch as a class and pause and discuss along the way. Great to help with vocabulary due to videos, and writing."

★★★★★ Extremely satisfied "This is a great resource to challenge my students as well as provide an outline for them as they go. It acts as guided notes to check their understanding and help guide them through the videos."

Buyer Comments From My Video Worksheet Bundles

★★★★★ **Extremely satisfied** "I like the versatility of this. For my more independent students, they can do this for extra credit or sub work. For my classes who need more help, we watch as a class and pause and discuss along the way. Great to help with vocabulary due to videos, and writing."

★★★★★ **Extremely satisfied** "This is a great resource to challenge my students as well as provide an outline for them as they go. It acts as guided notes to check their understanding and help guide them through the videos."

★★★★★ **Extremely satisfied** "This is perfect for my students who have missed class and need a quick review. I also love these for sub days."

★★★★★ **Extremely satisfied** "This bundle will be a great investment for extending learning and challenging my 7th grade classes!"

★★★★★ **Extremely satisfied** "User friendly. Students were engaged and liked the activity."

★★★★★ **Extremely satisfied** "This works great! They can listen on their own with a link in google or as a whole class for kids that need more help with focusing."

★★★★★ **Extremely satisfied** "This is a great lifesaver for easy sub plans and quick reviews."

★★★★★ **Extremely satisfied** "Thank you these are great at building background knowledge and helping my special needs students keep up with their regular."
