Sight Word Smash Fall Theme

- How do I use this?
- Print and laminate or put each sheet in a page protector.
 - Children will choose a card and place it in the box.
 - Next, they will roll a ball of playdough and place it on all of the apples that contain that word & smash it!
 - Clear the board, choose a new word & repeat.
 - Note: The words are split into 9 lists that go along with my preschool curriculum. Each color represents a different list to help you keep organized.
