GREAT TO USE FOR

- ❖ Biomimicry Projects
- ❖ Centers
- ❖ Independent Work
- ❖ Distance Learning

Make a Biomimicry Banner and tell classmates about interesting ideas and observations. The printable pages of this packet will help your students contribute to a biomimicry display banner filled with ideas and inventions. Print the pennants that spell out 'biomimicry' and display on a string in your classroom. Each student can then add to the banner by adding interesting ideas and observations about an animal or plant. They can also draw ideas for designs and inventions.
