

LIFE CYCLE WHOLE YEAR

Think Diving for a Frog Detective

What do tadpoles and frogs eat?

Tadpoles eat

Frogs eat

Why does a frog lay its egg in the water on in wet places?

Can you fill in the missing words?

As the tadpoles grows, it develops

Are you looking for exciting and comprehensive life cycle activities? These units focus on life-cycle but it also extends the understanding of the different stages. There are lesson plans that will guide you through the process of using biomimicry and steam activities to inspire students to **ask questions, study nature and use creative thinking to solve problems and invent things.**
